INTRODUCTION AND BACKGROUND</b></p> <p>The Integrated Tourism Knowledge System (ITKS) is a centralised knowledge management platform developed by the Department of Tourism to support evidence-based planning, decision-making, and service delivery. The system consolidates various datasets, information, and knowledge services from multiple business units within the Department.</p> <p>As a result, the ITKS provides both administrative (internal) and public-facing access channels. Through this dual-site approach, the platform supports internal operational processes and public access to information.</p> <p>The platform currently comprises the following subsystems:</p> <ul style="list-style-type: none"> <li>a) National Tourism Information and Monitoring System (NTIMS).</li> <li>b) Tourist Guide information system (TGIS).</li> <li>c) Research Repository.</li> <li>d) Complaints Management System, and</li> <li>e) Tourism Skills and Employment Portal.</li> </ul> <p>The ITKS solutions are primarily developed using the PHP Laravel framework and MySQL database platform.</p> <p>Given the ITKS' role in information dissemination, continuous maintenance, technical support, and ad-hoc enhancement development are essential to maintain operational stability, ensure security compliance, accommodate evolving business requirements, and sustain the long-term relevance and usability of the platform.</p>	1	

T.M

## **2. PURPOSE OF DOCUMENT**

The purpose of this document is to solicit proposals from multi-technology skilled service providers for the appointment of a suitable service provider to host, provide maintenance and support of the existing Integrated Tourism Knowledge System, and additionally provide functional enhancements whenever required.

## **3. SCOPE OF WORK**

The appointed service provider shall meet the specified deliverables for a period of thirteen (13) months.

## **4. DELIVERABLES**

### **4.1 Once-Off Deliverables**

- (a) Project Plan – the service provider shall submit a comprehensive project plan covering the full maintenance project life cycle.
- (b) The service provider shall conduct structured knowledge transfer and system handover to designated department officials.
- (c) The service provider shall deploy the system in the department's chosen production environment.
- (d) The service provider shall provide deployment documentation.
- (e) The service provider shall submit a project close-out report at the end of the contract.

### **4.2 Recurring Deliverables**

- (f) The service provider shall submit a quarterly maintenance report detailing maintenance activities performed.
- (g) The service provider shall submit a monthly backup verification report.
- (h) The service provider shall submit a monthly system performance and availability report.
- (i) The service provider shall submit a biannual vulnerability assessment report.

### **4.3 Hosting and Data Residency**

- (j) The ITKS shall be hosted within the borders of the Republic of South Africa. No production data, backups, logs, or replicated databases may be stored or processed outside South Africa.
- (k) The Service Provider shall provision, configure, and maintain secure production, testing, and backup environments.

T.M

#### **4.4 Support and Incident Classification**

- (l) The Service Provider shall provide operational support for the system and shall attend to both urgent and non-urgent incidents in accordance with the agreed Service Level Agreement (SLA).
- (m) The Service Provider and the Department shall jointly agree on the classification and categorisation of incidents, which shall be documented in the SLA.
- (n) The Service Provider shall provide after-hours support for critical priority incidents.

#### **4.5 Codebase Integration**

- (o) The service provider shall integrate the MASP module codebase into the ITKS codebase, ensuring compatibility, consistency, and adherence to existing architectural standards.
- (p) The MASP module is currently not deployed on the production environment and has been developed using similar technology stack as the ITKS system.
- (q) The integration must be completed within a period of six (6) months from the formal commencement date, following official authorization to proceed.

#### **4.6 Reserved Hours for Enhancements**

In addition, the Service Provider shall submit a quotation for the Department's consideration covering a total of **500** hours per annum (reserved hours). These hours may only be utilised upon prior written approval from the Department.

The reserved hours shall be used for the following:

- (r) Development of functional enhancements not currently available on the ITKS and its related modules; and
- (s) Deployment of the approved enhancements.

**Note:** The Service Provider shall indicate the applicable hourly rate for the reserved hours.

T.M

## 8. SYSTEM MANAGEMENT AND DATA PRIVACY

The department is the owner of all rights, systems, modules, and interest in the data, and all data will be maintained, backed up, and secured until returned on termination of the agreement, unless other provisions are made for the migration, transfer, or destruction of the data.

Any data processing (mining) shall be carried out in a manner provided for by the POPI Act and shall be authorised by the department.

The service provider shall make provisions for the safe return/transfer of data and information in the systems back to the department at the end of the contract or contract termination.

## 9. EVALUATION CRITERIA

The Department will evaluate all proposals in terms of the Preferential Procurement Policy Framework Act No 5 of 2000 (PPPFA) and the Broad-Based Black Economic Empowerment Act 53 of 2003. The bid will be evaluated in the following phases:

- Phase 1: Functional / Technical Evaluation
- Phase 2: Price and BBEE Specific Goals

### 9.1 Phase 1: Functional / Technical Evaluation

The service provider will be evaluated on technical expertise and submission requirements. The Bid documents will be evaluated individually on a score sheet by a representative evaluation panel in accordance with the evaluation criteria set out in the Terms of Reference. All bidders who scored at least 70 out of 100 for functionality will be considered for further evaluation. **Bidders will be shortlisted and may possibly be invited to do a presentation on their proposals at their own cost.** A bid proposal will be disqualified if it fails to meet the minimum qualifying score for technical expertise and submission requirements as per the bid invitation.

### 9.2 Phase 2: Price and B-BBEE Status Level of Contribution.

Pricing and B-BBEE Status points	Points
The bidders that score points which exceed the minimum threshold provided on functionality will further be evaluated on price and on Broad-Based Black Economic Empowerment Status Level Certificates provided in terms of the Preferential Procurement Policy Framework, Act 5 of 2000, and Regulations of 2011	
Points allocated for Price	80
B-BBEE Specific goals	20
<b>TOTAL FOR PRICE and B-BBEE SPECIFIC GOALS</b>	<b>100</b>
