

### Technical Evaluation Criteria

Technical Requirements				Weighting		Scoring				
1	Provide proof that the company has a workshop that will cater for the refurbishment of $\geq 132$ kV (1 MVA) power transformers. Attach signed SLA or proof of ownership.	60	20%	Proof attached = 60 Points Proof not attached = 0 Points						
2	Provide proof of crane/flatbed truck with certified operator for transportation of $\geq 132$ kV (1 MVA) power transformers. Attach proof of ownership or lease agreement or intent to lease.	60	20%	Proof attached = 60 Points Proof not attached = 0 Points						
3	Provide proof of procedure that the company has the required routine electrical testing facilities/equipment for $\geq 132$ kV (1 MVA) power transformers as per the Eskom "TEST PROCEDURE FOR POWER TRANSFORMERS" - UI: 240-65216748: a. Voltage Ratio b. Positive Sequence (Short-circuit) Impedance c. Primary Winding Resistance d. Secondary Winding Resistance e. Insulation Resistance	60	20%	Proof attached = 60 Points Proof not attached = 0 Points						
4	The company must provide proof of customer satisfaction on a similar scope of work which contains the refurbishment and maintenance of $\geq 132$ kV (1 MVA) power transformers and supply of spares. Attach signed customer satisfaction letters (on client's letter heads) with contactable details, relevant transformer nameplate and high level scope of work done by company for the client. No appointment letters or purchase orders will be accepted.	45	15%	$\geq 5$ Satisfaction Letters = 45 Points $\geq 3$ Satisfaction Letters = 30 Points = 1 Satisfaction Letters = 8 Points						
5	The company must at least have 2 years experience on a similar scope of work which contains the refurbishment and maintenance of $\geq 132$ kV (1 MVA) power transformers and supply of spares. Attach signed reference letters (on client's letter heads) with contactable details, relevant transformer nameplates and refurbishment dates. No appointment letters or purchase orders will be accepted.	45	15%	$\geq 5$ Years Experience = 45 Points $\geq 3$ Years Experience = 30 Points = 2 Years Experience = 8 Points						
6	The supplier must have experience with the application of a severe marine coating as described in the Eskom "CORROSION PROTECTION STANDARD FOR NEW INDOOR AND OUTDOOR ESKOM EQUIPMENT, COMPONENTS, MATERIALS AND STRUCTURES MANUFACTURED FROM STEEL STANDARD" - UI: 240-75655504. Attach signed reference letters (on client's letterheads) with contactable details and number of power transformers coated with a severe marine coating. No appointment letters or purchase orders will be accepted.	30	10%	$\geq 10$ Transformers = 30 Points $\geq 5$ Transformers = 15 Points $\geq 2$ Transformers = 1 Point						
(Minimum final score required is 82%) Total			100%							
Date: 11 August 2022				PR Title: Refurbishment of Two KIPTS 1000kVA Test Transformers
