RFQ for the supply, delivery, and servicing of water dispensers and 18.9-litre bottled water to various Land Bank branches for a period of 24 months

Correction to the Quantity for Quarterly Servicing and Maintenance of Water Dispensers

Bidders are hereby advised that an error was identified in the quantity specified for the quarterly servicing and maintenance of water dispensers in the RFQ documentation.

The quantity was incorrectly stated as 384 units instead of the correct quantity of 128 units, calculated as follows:

- Number of water dispensers: 16
- Number of servicing and maintenance visits over the 24-month contract period: 8
- **Correct total quantity: 16 dispensers × 8 services = 128 units**

Bidders are therefore requested to prepare and submit their quotations based on the corrected quantity of **128 units** for the servicing and maintenance of water dispensers.

All other terms and conditions of the RFQ remain unchanged.

We apologise for any inconvenience caused and thank all bidders for their understanding and cooperation.
