Notes to Pricing:

Prices on the Contract will be fixed for the first 12 months of the Contract. Thereafter the Contract price adjustment will be reviewed on each anniversary of the Contract, taking into account the actual Consumer Price Index (CPI) for that particular year as published by Statistics South Africa.

The CPI percentage published by Stats SA will be used to determine the appropriate percentage mark-up.

Respondents are required to complete the BOQ in full, failure to complete may result in disqualification.
