## **SOL PLAATJE LOCAL MUNICIPALITY**

**CONTRACT NUMBER: INF/CE/02/2025 - RENTAL OF PORTABLE (CHEMICAL) TOILETS FOR INFORMAL SETTLEMENTS IN SOL PLAATJE LOCAL MUNICIPALITY AS AND WHEN REQUIRED FOR 24 MONTHS PERIOD.**

### **SPECIFICATIONS**

The city is currently experiencing an overwhelming increase of informal human settlements. This development has constantly compelled municipal authorities to devise means of providing basic services to these areas. One of the key challenging aspects of basic service provision in informal settlement is the provision of sanitation services.

The absence of bulk sewer infrastructure is the main challenge and secondly, the costs of providing alternative basic sanitation services is very high. Acceptance of alternative technologies in relation of sanitation services by members of the community is one of the reasons that complicates provision of sanitation services. Rejection of basic services for enhanced options has put a lot of pressure on the municipality, and general provision of sanitation services in the municipality is compromised.

According to our Town Planning pipeline sanitation backlog report released in October 2016, there are approximately 9400 households. This figure excludes Lerato Park settlement which is estimated to have a sanitation backlog of approximately 1400 households. The total backlog is currently estimated to be 3 500. The municipality is currently providing bucket/ pail removal services (no longer considered as a basic level of sanitation service) for approximately 1 675 informal sites. This implies that more than 1 600 informal households are not accounted for and this tender is intending to close this gap by providing this crucial service.

# **CERTIFICATE OF INDEPENDENT BID DETERMINATION**

- 1 This Municipal Bidding Document (MBD) must form part of all bids invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

**Includes price quotations, advertised competitive bids, limited bids and proposals.**

**Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.**

relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

**Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.**
