3.	Please take note of the below email from 1 of the training facilitators . We were requesting validation letters since on the submission criteria validations letters are a requirement. Eskom does not issue validation letters anymore.	Therefore, if the certificate was issued by the accredited facilitator on the list that was provided it suffice.	08 Sept 2026
4.	Kindly advise whether the Invitation to Tender and Part 1 to 5 documents will remain unchanged, in light of the extended closing date.	Yes, that is correct, the documents will remain unchanged.	08 Sept 2026
6.	We would like to confirm if the attached certificates from Consolidated Training and VCT Solutions are still considered valid since the training providers are not there on the latest Eskom Contractor Facilitator list but were there on the previous lists.	However, if the training providers were on Eskom Contractor Facilitator list at the time then the certificates if issued at the time the facilitator was accredited should still be fine	08 Sept 2026
8.	Please take note of the below email from 1 of the training facilitators . We were requesting validation letters since on the submission criteria validations letters are a requirement.	Therefore, if the certificate was issued by the accredited facilitator on the list it will suffice.	08 Sept 2026
9.	My question is on the technical. The stage 1. Returnable says : Electrical Trade Test certificate. - Can to insert the fundamentals of electricity L2C 01. As it that same of the electrical trade test.	As per the technical criteria, the mandatory requirement is specifically for an Electrical Trade Test certificate. L2C01 (Understand the Fundamentals of Electricity) is a training module within the Basic Workshop	08 Sept 2026
