SUBJECT: APPOINTMENT OF A SERVICE PROVIDER TO MANAGE THE DISBURSEMENT OF VENTURE CAPITAL FUND BY ASSISTING SMALL MEDIUM MICRO ENTERPRISES (SMMES) THAT DO BUSINESS IN THE ARTS, CULTURE AND HERITAGE SECTOR TO MEET FINANCIAL GOALS AND HELP THEM TO BECOME SKILLED BUSINESS OWNERS BY PROVIDING FINANCE FOR A PERIOD OF FIVE (5) YEARS.

1. BACKGROUND

Venture Capital is an important source of financing for start-up, companies that have a limited operating history and don't have access to capital markets and financing for start-up ventures or expansion. The Department of Sport, Arts and Culture (DSAC) initiated Venture Capital Fund (VCF) that is seeking to redress past imbalances by addressing the lack of financing instruments for the creative industries and so doing, contribute to economic growth, the creation of decent work and income generating opportunities for creative industry practitioners.

South African economy needs to change from consumption based to production to reach National Development Plan (NDP) targets. It is important that business models are incentivized that empower previously disadvantaged practitioners in the arts, culture, and heritage sector to derive maximum economic benefits. DSAC sees building entrepreneurs as the vehicle to contribute to the NDP targets of eradicating poverty, addressing unemployment, and improving service delivery.

2. THE NEED FOR A VCF

A benchmark mapping study conducted by the Department in 2013, found that while the creative industries make a significant contribution to the South African economy, there are significant constraints to development. The lack of access to appropriate finance was indicated as a major obstacle by 67% of respondents, 22% indicated that a lack of appropriate technology and equipment and market access were major challenges. As a result, the department in 2016 piloted the implementation of the Venture Capital Fund with an amount of R100 000 000 (One Hundred Million Rand) in partnership with the National Empowerment Fund (NEF). The VCF has since been piloted and evaluated. The result of the evaluation has provided rationale for continuation of its existence. In response to this, there are two primary needs the VCF will meet:

- Access to finance for SMMEs

The size of these businesses limits their ability to raise commercial bank financing, due to their limited collateral, a lack of insight and understanding of the industry and history of financial performance.

3. THE ROLE OF A VCF

- Financing of new and existing businesses in the arts, culture and heritage sector and take equity share to ensure the viability of the VCF.
- Provide finance for assets and goods and services when a sale has been concluded.
- Financing of companies and ventures in the arts, culture and heritage sector that have secured tenders or purchase orders but have limited start-up capital to deliver the service or goods or projects.

- Financing of ventures within the arts, culture, and heritage sector with commercial value after due diligence process has been concluded.
- Facilitating and incentivizing the sub-contracting with other suppliers with an aim to gain experience.
- Reporting job creation and contribution to the Gross Domestic Product (GDP); and
- Generating return on investment.

N.B.: The department will conduct an annual impact assessment of the programme.

4. SCOPE AND EXTENT OF THE TENDER / TASK DIRECTIVE

The Department requires the services of a duly experienced, knowledgeable, and legitimate entity that will partner with the Department and financially contribute 60% of the total value of this tender in order to realise the objectives of the Venture Capital Fund initiative.

To confirm that, the bidders have read and understood the task description, they should be able to indicate their ability to implement and manage the Venture Capital Fund with the stipulated deliverables in the relevant column below:

	TASK	NOTED
4.1	<p>Increase access to and the provision of finance to SMMEs thereby contribute towards job creation.</p> <ul style="list-style-type: none"> • Provide favourably structured loan finance to eligible and qualifying ventures • Expand partnerships with other institutions 	

	<ul style="list-style-type: none"> • Build a strong and effective VCF brand emphasizing accessibility to SMMEs • Develop, implement and effective marketing and promotion programme 	
4.2	<p>Build an effective and efficient VCF that is performance driven, and which demonstrates good returns on investment</p> <ul style="list-style-type: none"> • Create, develop, and retain dynamic human capital with values and culture aligned to VCF's mandate and which understands the unique nature of creative industries in South Africa. • Build an effective VCF with robust and efficient business processes, systems, and infrastructure; and • Build a financially sustainable and viable VCF by sourcing appropriate financing to the VCF. 	
4.3	<p>Financing</p> <ul style="list-style-type: none"> • Financing of the projects to yield return on investment. Currently, projects are overly dependent on government for financial assistance. A mechanism to incentivize viable projects, which show potential to be self-sustaining, to support growth and innovation in the sector is required.
