

TENDERER'S SD&L UNDERTAKING

Business Unit	Distribution Gemma Cluster- Northern Cape
Description/ Scope of Work	Provision of Refreshment Services, Maintenance of Coolers and Purifying water dispensers To Eskom ERE Commercial Buildings, and Dx Buildings In Northern Cape Operating Unit: Kimberley and Upington Zones
Duration of the Project	3 years

The tenderer is required to complete this undertaking and submit the completed form as a tender returnable to Eskom prior to contract award. Eskom reserves the right to negotiate with the tenderer the requirements below, and the outcome thereof will form part of the contract obligations

Section 1: Objective criteria

The inclusion of objective criteria in an enquiry is not mandatory but a condition for contract award, and if included, this must align with the requirements of the PPPFA [clause 2(1)(f)] and be clearly stated in the enquiry together with the consequence of such objective criteria (i.e., if the tenderer does not meet objective criteria; it may lead to the second-ranked tenderer being recommended for award). Tenderers are encouraged to submit a valid B-BBEE certificate or Sworn Affidavit.

Section 2: Other SDL&I Objectives in line with RDP Goals

Tenderers who complete and submit the undertaking as required, but who do not meet Eskom's targets, will not be disqualified. SDL&I undertakings do not form part of scoring but commitments will form part of contractual obligations

- 1. BBBEE requirements:** Tenderers are required at a minimum to maintain their BBBEE status over the contract term.
- 2. Jobs.** Tenderers are required to submit proposals for the type and number of jobs that will be created and retained in South Africa as a direct result of being awarded a contract. Below are the minimum targets set for the contract duration.

The employment (Jobs created) shall comply with the Employment Equity Act and represent demographics of the Local to site communities.

Type of Jobs to be created	Tenderer's proposal
Number of Jobs to be created	
Number of Jobs to be retained	

3. Skills development

Tenderers are required to submit proposals in a table below for developing the skills of unemployed candidates in the country. Skills development is intended to address Eskom's core, scarce and critical skills. These skills are also included in a 2020 list of occupations in high demand as stipulated in the Government Gazette 43937. Candidates shall be from North West province, and their composition shall be representative of the population demographics of South Africa.

List of proposed skills (Skill type / Occupation)	Eskom target	Contractor Proposal	Outcome
Servicing of Water Coolers (changing of Filters) (Quarterly)	02		Certificate

The process of developing these skills shall involve the participation by tenderers directly and through its supply network. In certain cases, the SETA's accredited training providers can be approached to participate in developing critical and scarce skills.

Note: Tenderers are required to take full responsibility for the total cost of developing the requisite skills, and Eskom shall not make any financial contribution towards the fulfilment of this obligation. Tenderers also are advised to approach its relevant SETAs to access grants, subsidies and incentives as well as South African Revenue Services for tax rebates that are earmarked for skills development initiatives
