2. INTRODUCTION

2.1.MANDATE

The AIDC is the dedicated developmental agency of the Gauteng Growth and Development Agency (GGDA) in relation to the specific industrial, infrastructure and training needs required by the automotive and allied sector - those based in the Gauteng province. The AIDC is thus tasked by GGDA with special developmental type projects aimed at enhancing and possibly expanding the automotive and allied-related sector with a focus on enterprise development; also, in the support of government's aims at BBBEE SMME development and the radical transformation of various townships. The AIDC otherwise explores other developmental projects, external to the objectives of the GGDA in support of the AIDC's own business development processes. These include projects related to the transport and energy sectors, as well the development of the Tshwane Auto City. The AIDC's focus, in terms of the 2016 Gauteng Economic Development Plan/Framework (GEDP/F), is towards the automotive sector in the Northern Corridor of the Gauteng City Region (GCR) framework.
