9 MARKET ANALYSIS

The city of Tshwane reserves the right to conduct market analysis. Should the city exercise this option, where a tenderer offers a price that is deemed not to be viable to supply goods or services as required, written confirmation will be made with the tenderer if they will be able to deliver on the price, if a tenderer confirm that they cannot, the tenderer will be disqualified on the basis of being non-responsive. If they confirm that they can deliver, a tight contract to mitigate the risk of non-performance will be entered into with the service provider. Further action on failures by the supplier to deliver will be handled in terms of the contract including performance warnings and listing on the database of restricted suppliers.

The city further reserves the right to negotiate a market related price with a tenderer scoring the highest points. If the tenderer does not agree to a market-related price, the city reserves the right to negotiate a market-related price with the tenderer scoring the second highest points, if the tenderer scoring the second highest points does not agree to a market-related price, negotiate a market-related price with the tenderer scoring the third highest points. If a market-related price is not agreed, the city reserves the right to cancel the tender.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

- 25.4.3 the service provider shall, at all times, remain the sole point of contact for the City in respect of the acquisition of services by the City; and
- 25.4.4 no such subcontracting shall have any effect on the contract price and charges payable by the City to the service provider in terms of this agreement.

26. CONFIDENTIALITY

- 26.1 The service provider acknowledges that all information relating to the City's confidential business and technical information, data, documents or other information necessary or useful for the carrying on by the City of its business which shall include, but shall not be limited to, operating procedures, quality control procedures, approximate operation personnel requirements, descriptions, trade names and trademarks, know how, techniques, technology, information relating to clients, customers, suppliers and relevant authorities, copyright, trade secrets and all goodwill relating to the business and any other intellectual property rights, technical data and documents in whole or in part, used by the City in respect of its business ("confidential information") shall remain confidential and shall not be made known unless the City has given written consent to do so.
- 26.2 The information provided by the City in the context of this agreement is confidential information and the service provider shall take all reasonable measures to keep the information confidential and will only use the information for the purpose for which it was provided.
- 26.3 The service provider undertakes to not disclose any such confidential information. However, there will be no obligation of confidentiality or restriction on use where –

- 27.5 In the event the City becomes aware of any such infringement, the contractor shall, at its cost, defend the City against any claim that the services infringe any such third party intellectual property rights, provided that the City gives notice to the contractor of such claim and the contractor controls the defence thereof. The contractor further indemnifies the City against, and undertakes that it will pay all costs, damages and attorney fees, if any, finally awarded against the City in any action which is attributable to such claim and will reimburse the City with all costs reasonably incurred by the City in connection with any such action.
- 27.6 Should any claim be made against the City by any third party in terms of Clause 27.1 above, the City shall give the contractor written notice thereof
- within 3 (three) days of becoming aware of such claim to enable the contractor to take steps to contest it.
- 27.7 Should any third party succeed in its claim for the infringement of any third party proprietary rights, the contractor shall, at its discretion and within 30 (thirty) days of the services having been found to infringe, at its own cost, –
- 27.7.1 obtain for the City the right to continue using the subject of infringement or the parts thereof which constitute the infringement;
- 27.7.2 replace the subject of infringement or the parts thereof which constitute the infringement with another product or service which does not infringe and which is materially similar to the subject of infringement;
- 27.7.3 alter the subject of infringement in such a way as to render it noninfringing while still in all respects operating in substantially the same manner as the subject of infringement; or
- 27.7.4 withdraw the subject of infringement.

28. FORCE MAJEURE

- 28.1 For the purposes hereof, “*force majeure*” shall mean civil strife, riots, insurrection, sabotage, national emergency, acts of war of public enemy, rationing of supplies, flood, storm, fire or any other like forces of nature beyond the reasonable control of the party claiming *force majeure* and comprehended in the terms thereof.

- 28.2 If *force majeure* causes delays in or failure or partial failure of performance by a party of all or any of its obligations hereunder, this agreement shall be suspended for the period agreed in writing between the parties.
- 28.3 In the event of circumstances arising which the other party believes that it constitutes a *force majeure* ("the affected party"), such affected party shall send, within 5 (five) days from the interrupting circumstances, a written notice of the interrupting circumstances specifying the nature and date of commencement of the interrupting event to the other party. The parties shall agree, in writing, to suspend the implementation of this agreement for a specific period ("agreed period").
- 28.4 In the event that both parties reasonably believe that the affected party shall be unable to continue to perform its obligations after the agreed period, either party shall be entitled to terminate this agreement without further notice to the other party.
- 28.5 The party whose performance is interrupted by the interrupting circumstances shall be entitled, provided that such party shall have given notice to that effect with a written notice of the interrupting circumstances as provided above, to extend the period of this agreement by a period equal to the time that its performance is so prevented.

29. CESSATION

The service provider shall not be entitled to cede, assign or transfer in any other way and/or alienate its rights and obligations in terms of this agreement without the prior written consent of the City.

30. CHANGE OF CONTROL OR CIRCUMSTANCE

- 30.1 The service provider shall notify the City in writing of any change in the service provider's shareholding or membership or any change in the service provider's subsidiary companies or holding or its affiliates (such change shall be considered a material change in the constitution and identity of the service provider). The City may terminate this agreement upon becoming aware of such material change.
- 30.2 The parties agree that should there be a change, as envisaged in Clause 30.1 above, the service provider will no longer exist and a new third party or entity shall have been constituted. In this regard, such third party shall not be entitled to inherit any of the service provider's rights and obligations in terms of this agreement, which will only be transferred to the new entity in writing by the City following the City's satisfaction and approval in writing of such new entity.
- 30.3 The service provider shall further notify the City of any material changes or circumstance which might have led the City to appoint the service provider to provide the goods and/or services. In the event that any material change or circumstance occurs and the service provider fails to inform the City of such a change or circumstance, the service provider shall be deemed to have breached a material term of this agreement and the City shall be entitled to cancel the agreement on 1 (one) month's prior notice.

31. BREACH

31.1 Subject to Clause 30.3 above, should either party commit a breach of any term of this agreement (“the defaulting party”) then the affected party (“aggrieved party”) shall be entitled to inform the defaulting party in writing to remedy such failure or default within 5 (five) business days. Should the defaulting party fail to remedy the breach within 5 (five) business days after receipt of the notice, the aggrieved party shall be entitled, without prejudice to any of its rights under this agreement or law, to –

31.1.1 immediately terminate this agreement without giving written notice and claim damages (which shall include legal costs on an attorney or client scale);

31.1.2 request specific performance and claim damages (which shall include legal costs on an attorney or client scale); or

31.1.3 impose penalties as provided for in Clause 13 above.

32. EARLY TERMINATION

The City shall have the right to terminate this agreement by giving 30 (thirty) days’ notice in writing to the service provider of its intention to terminate the agreement.

33. DISPUTES

33.1 Save for Clause 31 above or any other clause in this agreement which provides for its own remedy, should any dispute arise between the parties in respect of or pursuant to this agreement, including, without limiting the generality of the foregoing, any dispute relating to –

33.1.1 the interpretation of the agreement;

33.1.2 the performance of any of the terms of the agreement;

33.1.3 any of the parties’ rights and obligations;

33.1.4 any procedure to be followed;

33.1.5 the termination or cancellation or breach of this agreement; or 33.1.6

the rectification or repudiation of this agreement,

any party may give the other party written notice of such dispute, in which event the provisions below shall apply.

33.2 Within 7 (seven) days of the declaration of such dispute, the parties’ representatives or their nominated persons shall meet in the spirit of goodwill and endeavour to resolve the dispute, failing which (and without prejudice to any other alternative dispute resolution to which the parties may agree, either prior to or concurrently with arbitration) the provisions of Clause 33 shall apply.

- 33.3 If the parties are unable to resolve the dispute within 14 (fourteen) days of the notice of the dispute (or such longer period as they may have agreed to in writing), then either party may, on written notice to the other party, require that the dispute be submitted to and decided by arbitration, in terms of the Arbitration Act, 1965 (Act 42 of 1965).
- 33.4 The arbitration shall be held under the provisions of the Arbitration Act, 1965 provided that the arbitration shall be –
- 33.4.1 at any place which the parties agree, in writing, to be mutually convenient; and
 - 33.4.2 in accordance with such formalities and/or procedures as may be settled by the arbitrator and may be held in an informal and summary manner, on the basis that it shall not be necessary to observe or carry out the usual formalities of procedure, pleadings and/or discovery or respect rules of evidence.
- 33.5 If the arbitration is –
- 33.5.1 a legal matter, then the arbitrator shall be a practising advocate or a practising attorney of no less than 10 (ten) years' standing;
 - 33.5.2 an accounting matter, then the arbitrator shall be a practising chartered accountant of no less than 10 (ten) years' standing; and
 - 33.5.3 any other matter, then the arbitrator shall be any independent person agreed upon between the parties.
- 33.6 Should the parties fail to agree on an arbitrator within 14 (fourteen) days after the arbitration has been demanded, then the arbitrator shall be nominated at the request of either of the parties, by the president for the time being of the Law Society of the Northern Provinces.
- 33.7 Should the parties fail to agree whether the dispute is of a legal, accounting or other nature within 7 (seven) days after the arbitration has been demanded, it shall be deemed to be a dispute of a legal nature.
- 33.8 The arbitrator may –
- 33.8.1 investigate or cause to be investigated any matter, fact or thing which he/she considers necessary or desirable in connection with the dispute and, for that purpose, shall have the widest powers of investigating all documents and records of any party that have a bearing on the dispute;
 - 33.8.2 interview and question under oath the parties or any of their representatives;
 - 33.8.3 decide the dispute according to what he/she considers just and equitable in the circumstances; and

- 33.8.4 make such award, including an award for specific performance, damages or otherwise, as he/she in his/her discretion may deem fit and appropriate. The arbitration shall be held as quickly as possible after it is requested, with a view to it being completed within 30 (thirty) days after it has been so requested.
- 33.9 The arbitrator's decision and award shall be in writing with reasons and shall be subject to appeal by either party.
- 33.10 Subject to the provisions of Clause 33.9 above, the arbitrators award may, on application by either party to a court of competent jurisdiction and after due notice is given to the other party, be made an order of court.
- 33.11 Notwithstanding the provisions of Clauses 33.1, 33.2, 33.3, 33.4, 33.5, 33.6 and 33.7 above, in the event of either party having a claim against the other party for a liquidated amount or an amount which arises from a liquid document, or for an interdict or other urgent relief, then the other party having such a claim shall be entitled to institute action therefor in a court of law rather than in terms of the above clauses, notwithstanding the fact that the other party may dispute the claim.
- 33.12 The provisions of Clause 33 are severable from the rest of this agreement and shall remain in effect even where this agreement is terminated or cancelled for any reason.

34. LAWS AND JURISDICTION

- 34.1 This agreement shall be governed by and interpreted according to the law of the Republic of South Africa.
