No awards will be made to a bidder who is not registered on the Central Supplier Database (CSD)

The establishment of a Central Supplier Database resulted in one supplier database to serve as the source of supplier information for all spheres of government. If the business enterprise is registered on the CSD and it is found subsequently that false or incorrect information has been supplied, then the Municipality may, without prejudice to any legal rights or remedies it may have:

- The same principles as above stated, should the successful bidder(s) fail to request updating of its information on the Central Supplier Database, relating to changed particulars or circumstances.

IF THE SUPPLIER IS NOT REGISTERED AT THE CLOSING DATE AND TIME OF THE BID, THEN THE SUPPLIER BIDDER MAY BE DISQUALIFIED AT THE BID EVALUATION PROCESS.

Collusive bidding is a per se prohibition meaning that it cannot be justified under any grounds.
- 3.** Regulation 38(1) of the Municipal Supply Chain Management Regulations prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
