Item Number	
Description	Sample test/Re-instatemen/Recertification
Location	Bloemfotein
Application	Cement Tanker

Technical Evaluation – Minimum Threshold of 80%
The test for the Technical and Functional threshold will include the following

Technical Criteria	TE Requirement	Rating Matrix	Evidence / Comments/ Compliance	Weightings (%)
Capacity and Capability to Render Services	Demonstrate capacity and capability by providing evidence of the availability of Engineering Council of South Africa (ECSA)-registered professionals, including Inspectors of Pressure Equipment (IPE), Competent Persons – Pressure Vessel (CP-PV), and Competent Persons – Steam Generator (CP-SG). Include a complete company organogram and specify the number of dedicated inspectors (CPs and IPEs) available. Provide proof of skilled personnel within your team, including ECSA/Professionally Registered Mechanical Engineers, IPE, CP-PV, and CP-SG qualified experts. Provide their qualifications, professional body certificates, and specify the inspectors responsible for conducting non-destructive testing (NDT), along with the full company organogram.	One Competent Person (CP) & One Inspector of Pressurised Equipment (IPE) = **20 Points** One Competent Person (CP) = **10 Points** One Inspector of Pressurised Equipment (IPE) = **10 Points** No Competent Person (CP) & Inspector of Pressurised Equipment (IPE) = **0 Points**	Specify the quantity of dedicated inspectors, Competent Person (CP) & Inspector of Pressurised Equipment (IPE) available. _____	**20%**
		Qualifications and organogram = **30 Points** Qualifications and organogram not submitted = **0 Points**	Please provide proof of the skilled experts within your team, including ECSA/Professionally Registered Mechanical Engineers, IPEs, CP-PV and CP-SG qualified personnel. Submit copies of relevant qualifications, professional body certificates, NDT certificates for technicians/inspectors conducting the NDT, as well as a complete company organogram.	**30%**
Previous Experience in Sample test/ Re-instatement/recertification of Pressure Vessel	Signed reference letters on a Company Letterhead with contactable details for previous experience in Sample test/Re-instatement/recertification of Pressure Vessels or similar service in Pressure Equipment (only completed projects/contracts) within 5 years.NB: Submit a list of previous experience supported by reference letters, these reference letters shall have 2 dates (date of projects/contracts completion and date showing as to when the letter was signed), otherwise it will not be acceptable, and a zero (0) score will be allocated for such rejected letter. Each reference letter shall have contactable contact person(s) and working contact numbers; otherwise, it will not be acceptable, and a zero (0) score will be allocated for such a rejected letter.	Three (3) Signed Contactable reference letters on the client's letterhead = **20 Points** Two (2) Signed Contactable reference letters on the client's letterhead = **10 Points** One (1) Signed Contactable reference letter on the client's letterhead = **05 Points** No Signed Contactable reference letters on the client's letterhead =**0 Points**	Provide proof of previous experience in the form of reference letters with the nature of service provided, duration of contract, and contact details.	**20%**
Turnaround Time (Reports)	Specify turnaround time for sample test/ recertification/re-instatement/inspection & Reports (Including weekends and public holidays) in hours. Provide a Confirmation Letter on your company letterhead.	At least 12 hours & Less after Notification = **20 points** At least 24 hours after Notification = **10 points** At least 36 hours & more after Notification =**0 points**	Provide a signed confirmation letter on your company's official letterhead indicating the turnaround time of sample tests/recertification/re-instatement, and results/reports in hours.	**20%**
Call-Out Respond Time after Notification	Specify Call-Out Respond Time (Working days, Weekends and public holidays) in hours.	At least 12hrs & Less after Notification = **10 points** At least 24hrs after Notification = **05 points** At least 36hrs & more after Notification = **0 points**	Provide Signed Confirmation Letter in your company letter head.	**10%**

Total Weighting:	**100%**
Minimum qualifying score required:	**80**
