6. BROAD-BASED BLACK ECONOMIC EMPOWERMENT AND SOCIO-ECONOMIC OBLIGATIONS

As explained in more detail in the attached SBD 6.1 (BBBEE Preference Points Claim Form) in and as prescribed in terms of the Preferential Procurement Policy Framework Act (PPPFA), Act 5 of 2000 and its Regulations, Respondents are to note that PRASA will award “preference points” to companies who provide valid proof of their B-BBEE status using either the latest version of the generic Codes of Good Practice or Sector Specific codes)if applicable).

Note: Failure to submit valid and original (or a certified copy of) proof of the Respondent’s compliance with the B-BBEE requirements stipulated in this RFP (the B-BBEE Preference Points Claim Form) at the Closing Date of this RFP, will result in a score of zero being allocated for B-BBEE.

6.1 B-BBEE Joint Ventures or Consortiums

Respondents who would wish to respond to this RFP as a Joint Venture [JV] or consortium with B-BBEE entities, must state their intention to do so in their RFP submission. Such Respondents must also submit a signed JV or consortium agreement between the parties clearly stating the percentage [%] split of business and the associated responsibilities of each party. If such a JV or consortium agreement is unavailable, the partners must submit confirmation in writing of their intention to enter into a JV or consortium agreement should they be awarded business by PRASA through this RFP process. This written confirmation

must clearly indicate the percentage [%] split of business and the responsibilities of each party. In such cases, award of business will only take place once a signed copy of a JV or consortium agreement is submitted to PRASA.

Respondents are to note the requirements for B-BBEE compliance of JVs or consortiums as required by SBD 6.1 [the B-BBEE Preference Point Claim Form] and submit it together with proof of their B-BBEE Status as stipulated in the Claim Form in order to obtain preference points for their B-BBEE status.

Note: Failure to submit a valid and original B-BBEE certificate for the JV or a certified copy thereof at the Closing Date of this RFP will result in a score of zero being allocated for B-BBEE.

6.2 Subcontracting

As an organ of state, PRASA fully endorses Government's transformation and empowerment objectives and when contemplating subcontracting Respondents are requested to give preference to companies which are Black Owned, Black Women Owned, Black Youth Owned, owned by Black People with Disabilities, EMEs and QSEs including any companies designated as B-BBEE Facilitators¹.

- an EME or QSE;
- an EME or QSE which is at least 51% owned by Black People;
- an EME or QSE which is at least 51% owned by black people who are youth;
- an EME or QSE which is at least 51% owned by black people who are women;
- an EME or QSE which is at least 51% owned by black people with disabilities;
- an EME or QSE which is at least 51% owned by black people living in rural or underdeveloped areas or townships;
- an EME or QSE which is at least 51% owned by black people who are military veterans;
or
- a cooperative which is at least 51% owned by black people.

¹ The Minister of the Department of Trade and Industry has the power to designate certain Organs of State or Public Entities as B-BBEE Facilitators. For example, the South African National Military Veterans' Association (SANMVA) has been designated as a B-BBEE Facilitator. As such they will be treated as having rights of ownership held 100% by Black People, 40% by Black Women and 20% by Black designated groups.

A bid that fails to meet this pre-qualifying criteria will be regarded as an unacceptable bid. Respondents are required to select suppliers to subcontract to from a list that PRASA will make available listing all suppliers registered on the approved database of National Treasury for the required goods/services in respect of the applicable designated groups.

Respondents are required to submit proof of the subcontracting arrangement between themselves and the subcontractor. Proof of the subcontracting arrangement must include a subcontracting agreement.

Respondents are to note that it is their responsibility to select competent subcontractors that meet all requirements of the bid so that their bid is not jeopardised by the subcontractor when evaluated. Respondents are responsible for all due diligence on their subcontractors.

Respondent/s are discouraged from subcontracting with their subsidiary companies as this may be interpreted as subcontracting with themselves and / or using their subsidiaries for fronting. Where a Respondent intends to subcontract with their subsidiary this must be declared in their bid response.

The successful Respondent awarded the contract may only enter into a subcontracting arrangement with PRASA's prior approval. The contract will be concluded between the successful Respondent and PRASA, therefore, the successful Respondent and not the sub-contractor will be held liable for performance in terms of its contractual obligations.

In terms of SBD 6.1 of this RFP [the B-BBEE Preference Point Claim Form] Respondents are required to indicate the percentage of the contract that will be sub-contracted as well as the B-BBEE status of the sub-contractor/s.

The equipment was also procured for a security contingent of 1274 as opposed to the current contingent of 5200 PRASA Security personnel. There is thus a significant equipment deficit that must be replenished.

a. PROBLEM STATEMENT

- 1) The lack of firearms adversely impacts on operational staff as they are expected to perform duties in a security situation where they are under constant attack from criminal elements who use firearms.
- 2) The lack of firearms exposes security personnel to serious risks as they are unable to execute their operational duties without exposing themselves to hazards that can potentially result in disabling injuries and/or fatalities.

- 3) PRASA's failure to equip security personnel with firearms can also result in serious legal consequences with respect to non-compliance to the Occupational Health and Safety Act, Act 85 of 1993 as the security personnel is unable to protect themselves from the security situations that prevail.

b. PICTORIALS

Figure 1: The pictorials depicts criminality that is perpetrated across all PRASA's mission critical assets and security equipment is a critical enabler to respond to this criminal behaviour.

2. OBJECTIVE OF THE PROPOSED PROJECT

The main objective of the project is to appoint service providers for the supply and delivery of security equipment nationally.

a. DESIRED OUTCOMES FOR CARRYING OUT THE PROPOSED PROJECT

- 3) Ensure security continuity for supply and delivery of ammunition for training and private defence.
- 4) Ensure that all firearms for PRASA are serviceable and safe for operational use as improving the longevity of the asset.

b. PROJECT BENEFITS TO PRASA

PRASA will realise the following benefits after the implementation of the project:

- 1) Reduced crime on assets.
- 2) Reduce the maintenance costs because of crime.

- 4) Improved public image and brand integrity.
- 5) Increased patronage and revenue collection.
- 6) Boost public confidence and restore brand integrity.
- 7) Improve asset performance in availability and reliability of Rolling Stock and infrastructure.
- 8) Improved operational safety,
- 9) The implementation of the solution will improve PRASA's Brand Integrity and Public Confidence in the Agency's ability to effectively deal with criminality that has been prevalent.

c. CURRENT MECHANISMS IN PLACE TO ADDRESS THE PROBLEM

The current firearms are insufficient to equip security personnel for execution of their operational duties.

7 PREFERENTIAL PROCUREMENT REGULATIONS

The Preferential Procurement Regulations, issued by the Minister of Finance in 2017, were revised to align with certain changes to the Broad-Based Black Economic Empowerment (B-BBEE) legislation. They encourage procurement from Small Enterprises, particularly through sub-contracting if a tender is set above the R30 million threshold.

If it is feasible to subcontract for a contract above R30 million, an organ of state must apply subcontracting to advance designated groups.

In compliance with the new regulation, this project will require that a minimum of 30% be subcontracted to one of the following types of enterprises:

- an EME or QSE which is at least 51% owned by black people who are women;

Before contracting with the successful Bidder, PRASA will insist on being provided with copies of formal signed subcontracting agreements that make up the legislated 30% of the contract value. The subcontractors shall be registered on the National Treasury Central Supplier Database (CSD). All agreements to state that PRASA will not be held responsible or liable should the successful Bidder breach contract with the subcontracted companies.

- **NB: In compliance with the regulation requirements stated above, PRASA requires a 30% to be subcontracted to a QSE or EME which has at least a 51% owned by black people who are youth; or EME or QSE which is at least 51% owned by black people who are women.**
