

VFA coach sets his sights on top spot

Venda outfit boasts solid defence in the GladAfrica Championship

By **Neville Khoza**

After registering their second win in the GladAfrica Championship by beating Uthongathi 1-0 on Saturday, Venda Football Academy (VFA) coach Johnny Ferreira is targeting the number one spot in the division in the next seven games.

Ferreira feels his side is capable of reaching that target as they have been playing well in the last few league matches.

VFA are seventh on the log standings, with 10 points from seven matches, four behind leaders Polokwane City.

"It was a tough game against Uthongathi. They are a very good team but we were under pressure to win the game since we were playing at home," Ferreira told Sowetan yesterday.

"This is our second victory this season and we want to build on this as we are creating a solid foundation and once we get that right, I think many will see a different team."

"Our target in the next seven games is to see ourselves in position one and I'm confident we will reach that."

What makes the coach believe that they can overtake Polokwane at the top of the standings is that his side has not been conceding goals lately.

"We conceded two goals in seven matches and those were penalties against Free State Stars and Richards Bay. Our defence has been solid, that's why I believe we can be number one soon."

"We just need to stay consistent and build on our victory at

the weekend."

Elsewhere, Jomo Cosmos' poor form in the league continued when they suffered another defeat to Pretoria Callies on Sunday.

Cosmos are at the bottom of the table with two points from seven matches and are among the favourites for automatic

relegation.

Cape Town Spurs registered their first victory of the campaign when they beat Black Leopards at home on Sunday, while newcomers Hungry Lions continued with their impressive form when they edged Free State Stars 1-0 at home.
