EVALUATIONS WILL BE DONE BASED ON THE FOLLOWING ONLY:

- Please take note of the highlighted information on the first column (**APPROACH**).
- **Company experience:** proof of experience must clearly show the detailed relevant scope of work not contract or project title, contract or order number and the duration of the project. Documents of companies that issued contract or order number should bear the company logo and letter head.
- **Technical approach:** will be evaluated based on the following:
 - List of all the machinery with valid copies of Operator Certificates, I.D's & driver's license (police certified no older than 03 months) for each machine will be evaluated based on the pricelist.
 - Method statement must be for this service and to be very clear and detailed, (upholding safety of paramount importance people, machinery and falling objects).
 - The only organogram to be considered will be for this service nothing else.

- **Personnel experience** - all police certified copy of certificates & I.D's (no older than 03 months) will be evaluated based on the following:
 - Very clear and detailed CV's with relevant experience otherwise no evaluations will be done without CV's.
 - Valid and certified (no older than 03 months) certificates to be attached.
 - Due to the number of Safety Officers, Supervisors and RP's needed, all CV's to be **CLEARLY NUMBERED & LABELLED AND THE ACCOMPANYING CERTIFICATES TO FOLLOW** not the other way round.
