1. INTRODUCTION / SCOPE OF WORK

This specification is for the:

#	ITEM	REQUIRED
1	Provision of catering services (sit down canteen and take away) for 3 years at 3 Transnet Engineering sites, namely, Durban Main Centre, Wentworth Diesel Depot and Rotating Machines Depot.	✓

- Transnet Engineering intends to enter into a Service Level Agreement with a Service Provider, to provide the services of a sit down café including a take away service to its employees on the premises.
- **Any omissions or sub-standard requirements of this specification shall be brought to the attention of Transnet Engineering at tender stage.**

2. SITE INSPECTION

- 2.1 All prospective Tenderers shall be required to undertake a compulsory site inspection to fully acquaint themselves with all aspects involved.
- 2.2 Arrangements to visit the site and confirmation of the date and time of the site inspection shall be made with the Transnet Engineering Project Manager.
- 2.3 The site inspection certificate shall be completed and countersigned by the Assets Manager on the day of the visit and shall be submitted with the tender documents.

3. INFORMATION REQUIRED

- 3.1 Offers will not be considered unless full particulars and sufficient literature is provided at the tendering stage to enable the Transnet Engineering Technical Officers the opportunity to assess each technical offer properly.
- 3.2 Prospective Tenderers will complete the relevant questionnaire in full and shall indicate whether their offer complies with each item of the specification.
- 3.3 Should there be insufficient space for furnishing full details; Tenderers shall provide the additional details in their covering letter. The additional details shall be numbered in accordance with the applicable clause specified in the specification.
- 3.4 As prospective Tenderers are considered to be experts in their field, they are obliged to identify any shortcomings, such as omissions or sub-standard requirements, to the completeness of this specification. These shall be brought to the attention of Transnet Engineering at tender stage with alternatives to address these shortcomings.

4. TECHNICAL REQUIREMENTS

The following act(s), regulation(s), standard(s) shall be complied with:-

- **The Occupational Health and Safety Act – Act 85 of 1993.**

Signature of Bidder/s: _____

Date: _____

- **General Hygiene for Food Premises and the Transport of Food made under the Foodstuffs, Cosmetics and Disinfectant Act, 1972 (Act No.:54 of 1972) and subsequent amendments.**
- **Government notice R962 of 23 November 2012, and subsequent amendments.**

4.1 Except where otherwise provided for in the specification, all equipment offered will comply with the requirements of the relevant standard specifications of the SABS, if published, otherwise with the relevant standard of the British Standards Institution in force at the time of tendering.

4.2 Where equipment offered complies with the recognized standards of the country of manufacture and not specifically with the standards required by this specification, such equipment will be considered at the discretion of Management. In this case, tenders shall state fully all respects in which the equipment departs from the standard laid down in this specification.

4.3 The successful tender will at the conclusion of the installation provide a document along the lines “that the installation complies with national/international requirements and that all selected /designed items are compliant with Act 85 of 1995 and SABS practices applicable to the installation. The equipment has been commissioned/ calibrated and employees as specified have been trained and found competent to operate the plant.”

5. SPECIFIC REQUIREMENTS

Any person with the intention of providing the catering services shall ensure that the information below is complied with.

5.1 Scope of Tender

- 5.1.1 The supplier shall provide the services of a sit down café including a take away service to Transnet Engineering.
- 5.1.2 The services rendered will be for the Service Provider’s own account, taking responsibility for all risks including profit/loss, stock and cash control.
- 5.1.3 The services will **NOT** be on a subsidy basis.
- 5.1.4 The service provide to use existing building facilities and catering equipment .
- 5.1.5 The service provider shall provide own additional equipment if there is a need.

5.2 Type of Service

- 5.2.1 It is expected of the contractor to provide variety basic meals, beverages, snacks & other items (not limited to free issuance) on a daily basis to on-site personnel, including providing and maintaining equipment and consumables required for the intended use.
- 5.2.2 Duration of Service, the intended term of the contract will be for a period of 36 months from date of awarding the contract, with an option to renew.

Signature of Bidder/s: _____

Date: _____

5.2.3 Provision of a Catering Service, Transnet Engineering reserves the right to outsource the provision of a Catering Service for internal meetings and ad-hoc functions.

5.3 Price Control

5.3.1 Transnet Engineering will provide water and electricity, limited catering facilities and equipment and the maintenance thereof.

5.3.2 In return it is expected that the prices of all off-shelf products sold to employees shall be at least 15% cheaper, and all prepared food items for example, curries, shall be at least 20% to 25% cheaper than the comparable market price for similar products except where the prices are regulated by Government.

5.3.3 A liaison committee is in place to manage price control on a yearly basis. All quoted price shall be fixed for period of 12 months from date of the contract.

5.3.4 Any price increases will be controlled by this committee and are subjected to the escalation clause.

5.3.5 Any food price increase is to be agreed with the committee prior to implementation. Submission to review price increase before any increase will be considered.

5.3.6 Committee will give response within a month.

5.3.7 All menu items are to be individually priced for sale. Provide variety of menus.

5.3.8 Only sales within Transnet Engineering will be allowed.

5.3.9 For evaluation purposes Service Providers are required to provide detailed pricing on Annexure B.

5.3.10 All other pricing assumptions, excluded and unknown costs shall be submitted to the Committee and wait for approval prior to increase.

5.4 Trading Hours

5.4.1 The trading hours shall be as follows :

Monday to Friday -	06h00 to 15:00
Saturdays	06h00 to 13:00

5.4.2 Extended trading hours on an adhoc basis could be negotiated with Transnet Engineering Liaison Committee i.e. When overtime is worked or during Saturdays and / or Sundays.

5.5 Contract Period

The proposed contract period will run for a two-year period. The contract will be reviewed after 6 month Transnet do have right to terminate the contract if the service provider is not meeting the requirement.

Signature of Bidder/s: _____

Date: _____

5.6 WHO MAY TENDER

No employee of Transnet may tender for the provision of this service neither will the service of any employee be made available be made available to work in any outlet.

Tenderers shall provide the following information as Annexures to the tender document :

- ◆ A registered business with the authorities
- ◆ Business license, latest letter of acceptability from the Municipality, food management system or quality assurance programme.
- ◆ Cover at the Compensation Commissioner.
- ◆ Latest/Valid Tax Clearance Certificate.
- ◆ Valid/Latest BBBEE Certificate.

5.7 TENDER AWARD

Transnet Limited reserves the right to negotiate prices and commercial aspects after the closing date of the tender.

Tenderers are to insert the name and telephone number of the person with mandate who can be contacted should Transnet Ltd seek to negotiate on the prices tendered.

NAME : _____

TELEPHONE NUMBER : _____

5.8 SECURITY

The successful tenderer shall provide their own security measures. These measures shall be done in conjunction with Transnet Engineering's security measures.

Access Control tags will be provided to each staff member on site after health and safety induction. These tags shall be returned at the end of the contract period, failing which an amount of R75, 00 per tag will be charged for each tag lost or stolen or misplaced.

For any theft, it is a requirement that TE security or contracted security company be involved during the investigations.

5.9 RESPONSIBILITIES

Transnet Engineering is not responsible for any theft, loss or damage to property or any other articles belonging to or being trading with by the successful tenderer.

Signature of Bidder/s: _____

Date: _____

The service provider (successful tenderer) will be liable for damages, theft, loss, of Transnet Engineering equipment, sundries, etc in the canteen, as well as the cleaning of such equipment and premises i.e.: eating areas, kitchen and toilets.

The contractor is responsible to report, in writing, defects to the Maintenance Department, of equipment in the canteen.

5.10 RENT OF PREMISES AND DEPOSIT

Canteen Facility: R0.00per month
Ablution Facility: R0.00per month
Building & Equipment: R0.00per month
LP Gas: R0.00per month
Electricity and Water R0.00per month

This tariff includes electricity and water, but excludes telephone use.

A deposit of R5000.00 is required which will be refunded at the end of the contract period without interest. Any damages will be deducted from the deposit.

The telephone shall be arranged by the contractor.

5.11 ACCOUNTS PAYABLE

All deposits are payable to :

Finance Manager
Transnet Engineering
Durban

(Banking details will be made available to the successful tenderer before award of the contract)

5.12 PREPARATION OF FOOD

- 5.12.1 Food is to be prepared on site.
- 5.12.2 Random mass testing on food portions shall be done by the service provider.
- 5.12.3 No alcohol will be allowed on the premises.

5.13 SITE INSPECTION

All tenderers will be required to attend a site inspection prior to submission of proposals.

Signature of Bidder/s: _____

Date: _____

5.14 RESTRICTED ACTIONS AND DISCIPLINE

The contractor and his / her staff shall not involve themselves with matters unrelated to canteen matters whilst on TE premises.

The contractor is responsible for the discipline of its own staff members. All staff members shall be neatly dressed in uniform for identification. Staff members of the contractor will not be allowed to participate in any union activities on Transnet Engineering premises or to interfere in any other way whatsoever with TE operations.

5.15 HEALTH INSPECTIONS

The health and hygiene inspector shall have free access into all sites to establish conditions and compare it with standards. See Annexure A for conditions laid down in terms of health and hygiene.

5.16 CLEANLINESS

The contractor is responsible for the tidiness, hygiene, etc., of the hired premises. All waste shall be stored in containers to be emptied by TE but **kept clean by the contractor.**

5.17 NEATNESS

All the staff members of the contractor shall be neatly dressed in uniform for uniformity and identification. All hair shall be covered and no jewellery worn by food handlers.

5.18 OCCUPATIONAL HEALTH AND SAFETY ACT (ACT 85/1993 AS AMENDED)

The contractor shall comply to the following during the contract period :

5.18.1 The contractor is bound by the OHS act and regulations as implemented by Transnet Engineering on the premises. Regular inspections will be carried out by Transnet Engineering appointed staff.

5.18.2 Transnet Engineering is committed to ensure that Transnet's Environmental Policy is adhered to The contractor shall therefore comply to the following :

5.18.2.1 The contractor and all his / her employees are to monitor and control the use of hazardous chemicals and should, where possible, use biodegradable and environmentally recyclable products.

5.18.2.2 All chemicals used in the canteen shall first be accompanied by an MSDS

Signature of Bidder/s: _____ Date: _____

sheet which shall be in the required 16 point format and after completion shall be issued to the Risk Department of Transnet Engineering.

5.18.2.3 All waste shall be separated to make recycling possible. Transnet Engineering will provide the containers / skips. The containers / skips will be emptied by Transnet Engineering's service provider but shall be kept clean by the contractor.

5.18.2.4 The contractor shall **deep clean** the kitchen **at least once in three months**. Transnet Engineering will be advise when deep cleaning should take place. The contractor will carry the cost of the deep cleaning which shall be done by a service provider who specialized in deep cleaning. After deep cleaning has taken place a "Deep Cleaning Certificate" shall be provided to Transnet Engineering for record purposes.

5.19 INSURANCE DAMAGE COMPENSATION AND LIABILITY

5.19.1 Transnet Engineering will not accept any liability in respect of damage caused fire, theft, storm damage, power failure, strikes or any similar events to the contractor's property.

5.19.2 The contractor shall be liable for any damages or losses to Transnet Engineering's property or assets due to gross negligence, abuse and theft.

5.20 BY LAWS

5.20.1 The tenants shall be responsible to abide to all by-laws enforced by the Local Authority. No overnight accommodation is allowed on site.

5.21 TRANSFER OF RIGHTS

5.21.1 The contractor/s shall not be allowed to cede, assign or transfer any of its rights or obligations obtained as a result of this tender without the permission of Transnet Engineering.

5.22 CANCELLATION OF CONTRACT

5.22.1 If the contractor is in any default Transnet Engineering reserves the right to cancel the contract with immediate effect if the contractor does not remedy the default within **fourteen (14) days** after notice. Normal termination period will be **30 days** and will also apply if the contract was renewed by tacit or through any other terms after the initial fixed term period has lapsed and the parties for any reason did not renew the contract.

Signature of Bidder/s: _____

Date: _____

5.23 PHYSICAL ADDRESS

5.23.1 The Contractor chooses as its *domicilium citanci ex executandi* the following address in (which shall not be a post office box or poste restante) :

5.23.2 A party may change the address referred to above by giving the other party notice in writing of the new address (which shall not be a post office box or poste restante).

Where an “agent” has shareholding in the company he/she represents, it is not earning a salary and his/her inputs/contributions add value, he/she will be considered for preference depending on his percentage shareholding in the company he represents.

ANNEXURE A : CONDITIONS: HEALTH AND HYGIENE STANDARDS

6. FOOD HANDLING STANDARDS

6.1 STANDARDS AND REQUIREMENTS FOR FOOD PREMISES

14. EXIT CLAUSE

14.1 Please note that failure to satisfy the needs of the staff, staff complaints, poor quality food, high pricing, failure to comply with the requirements or rules of Transnet Engineering and poor performance will result in this contract being terminated with immediate effect.

15. MANDATORY

15.1 The successful Contractor shall follow all contract control procedures before commencement of the contract. Contact person : Elizabeth Govender on telephone 031-361-4087

15.2 Certificate of Acceptability from Department of Health shall be made available to Transnet Engineering by the successful Tenderer.

15.3 Trade Licence shall be included in this document.

15.4 Letter of Good Standing from the Compensation Commissioner.

15.5 Unexpected visits will be made to existing premises of the short listed Tenderers by Transnet Engineering.

15.6 In view of the above please provide details of an existing site where a service is currently provided :

Name Physical Address

_____	_____
_____	_____
_____	_____

16. CONTRACT

16.1 The successful tenderer will enter into a two-year contract with Transnet Engineering. A liaison committee consisting of representatives of the following will manage this contract :

- 16.1.1 Two representative from each Trade Union recognised by Transnet Engineering.
- 16.1.2 Two representative from Management.
- 16.1.3 The OHS Practitioner.
- 16.1.4 The Contract Procurement Officer.
- 16.1.5 Committee secretary.

Signature of Bidder/s: _____

Date: _____

17. OTHER INFORMATION RELATED TO THE SCOPE

- 17.1 This specification states the minimum requirements relating to the tender and in no way absolves the contractor from responsibility for sound ethical practice. Any omissions or sub-standard requirements of this specification shall be brought to the attention of Transnet Engineering at tender stage and optional prices for addressing such omissions shall be provided.
- 17.2 Any matter relating to this work, which requires a decision from Transnet Engineering shall be presented to the Manager in charge.
- 17.3 All offers shall be completed in every respect with this specification. Only completed tenders shall be considered
- 17.4 The Technical Officer reserves the right to have the proposal checked independently by a third party.
- 17.5 Tenders shall allow for monthly progress and clarification meetings on site initially. A meeting will be held after issuing of the tender to establish the exact scope and magnitude of the contract. No tender will be considered unless it has the certificate of attendance signed by the project manager or his representative.

In addition to clause 6.5 the following shall be adhered to :

18. HEALTH AND SAFETY REQUIREMENTS

- 18.1 All equipment and installation whether detailed in this specification or not shall comply with the requirements of the Occupational Health and Safety Act 85 of 1993 as amended and all other applicable legislation including specific set of regulations and local authority bylaws where applicable.
- 18.2 All the necessary safety equipment such as guards over rotating equipment shall be supplied and the equipment shall comply fully with all the requirements of the South African Occupational Health and Safety Act, Act 85 of 1993 and all other applicable legislation including specific set of regulations and local authority bylaws where applicable. At all times during the manufacture, assembly and testing of the equipment the contractor will be responsible for the safety of all persons on site and the equipment.

18.3 SHE SPECIFICATION

Prior to commencement of contract, the contractor shall be issued with a SHE specification in order to compile a SHE file in line with TE requirements.

Prior to establishing on site, it is an explicit requirement of this contract that all of the Contractor's personnel directly involved with this contract, including those of sub-contractors, attend a **Safety induction course**.

Transnet will provide the course free of charge and attendance is compulsory for all personnel under the control of the Contractor who, during the duration of the contract, will be present on site whether on a full time or adhoc basis.

Signature of Bidder/s: _____

Date: _____

The contractor shall allow for all additional charges because of these requirements as no claims for extras will be accepted in connection with the foregoing.

19. SPECIAL REQUIREMENTS

19.1 Transnet Engineering will do random checks and balances on mass /weight of food portions and taste. The service provider shall include this on their pricing.

19.2 The service provider shall submit food test samples to the canteen committee of Transnet Engineering every day. The tests will be done on popular food such as phuthu/pap/rice, chicken/beef/mutton curry and salad.

19.3 The Phuthu /pap shall be available and served as from 10h30 every day.

19.4 There shall variety of salads (3 salad types) every day. It is not acceptable to serve/sell same kind of salad(s) for consecutive days.

19.5 A meal is not complete if it does not have salads. The meals shall be sold at discounted prices (10% discount) if they do not have salads.

19.6 The service provider is not allowed to serve the same kind of salads the whole week.

19.7 The vetkoeks shall be available from 6h15.

20. SPECIALIST SUB-CONTRACTORS

20.1 Only specialist sub-contractors who have previously successfully completed work of the type and extent specified in this document should be engaged.

The tenderer shall provide the supervisor / manager with sufficient proof of having suitable experience of work specified in this tender. To this end, complete and detailed reference list shall be submitted with the tender.

Reference list shall include addresses as well as contact person who may be visited for inspection of the equipment during the adjudication period.

20.2 The tender shall submit a complete list of proposed sub-contractors and suppliers of major components with his tender.

20.3 The tenderer shall be prepared to commit themselves in writing to the technical officer with an adequate, experienced and stable project team for the duration of the contract.

20.4 Transnet Engineering will not consider any Tenderer's offer that, in the sole opinion of Transnet Engineering, does not have adequate experience in the design and manufacture of such equipment.

21. GENERAL REQUIREMENTS

Operation will be in the following conditions:

Altitude	Sea level
----------	-----------

Signature of Bidder/s: _____

Date: _____

Ambient temperature	0°C to 45°C
Relative humidity	50% to 100%
Atmosphere	Heavy saline

21.1 Tenderers shall indicate clause-by-clause either that they comply in every respect with the specific requirements, or if not, exactly how it differs.

22. DEFINITIONS AND ABBREVIATIONS

CLIENT	Transnet Engineering Durban
TECHNICAL OFFICER	Project Manager, Transnet Engineering Durban
CONTRACTOR	Contractor appointed under this specification document
SABS	South African Bureau of Standards
MEAL	Starch, meat, gravy and salad
TE	Transnet Engineering

23. SITE ESTABLISHMENT

- 23.1 The contractor shall be solely responsible for safety of his staff and for providing security to safeguard his works and material on site, until such a time.
- 23.2 The contractor shall be required to attend site meetings when convened by the Project Leader controlling the contract.
- 23.3 The contractor will be responsible for any damages caused by his staff to the building and civil works on site.

24. PENALTY CLAUSES

- 24.1 Due to the criticality of this contract, penalties will be levied for non-conformances.
