INTSIKA YETHU MUNICIPALITY
NOTICE OF BASIC ASSESSMENT PROCESS

A notice is hereby given in terms of Regulations 41(2)(c)(i) of EIA Regulations, 2014, published in the Government Notice No. 982 in Gazette No. 3822 of 4 December 2014, in terms of sections 24(5) and 44 of the National Management Environmental Act, 1998 (Act No. 107 of 1998), of the intention to undertake Basic Assessment process in application of the Environmental Authorization for the construction of the proposed access bridge, named Kayamandi Bridge

PROJECT LOCATION
The project is located about 10km outside of Confirmvaba in the Intsiika Yethu Local Municipality, which falls within Chris Hani District Municipality, Eastern Cape. The coordinates of the proposed access bridge are 31°54'35.75"S; 27°32'53.41"E. The bridge will benefit the residents of Maya and surrounding villages such as Mangobomvu, Ntashini, eFama, kuPungutya.

PROJECT DESCRIPTION
The Intsiika Yethu Local Municipality aims to improve the condition of existing infrastructures such as bridges and roads in order to deliver services to the residential areas within the municipality. The Kayamandi Bridge will be 30m long, 5m wide and 3m high. The road carriageway will be 5m wide with 300mm bollards on both edges of the deck. The project will involve the construction of 500m approach gravel access road on either side of the bridge. The bridge construction is likely to trigger water uses in terms of Section 21(c) and (i) of the National Water Act, 1998 (Act No. 36 of 1998), which may necessitate water use authorization from the Department of Water and Sanitation.

REGISTRATION OF INTERESTED AND AFFECTED PARTIES
Interested and affected parties are invited to register their interest in the project by forwarding their relevant particulars to the contact details listed below:

Sibabalwe Nwelende:
Cell: 0836503402
email: sibabalwe@ilizwelethu.co.za
OR
Tshediso Mphuthi:
Cell: 0824885727;
email: rk.mphuthi@gmail.com.

All responses will be captured and individuals added to the stakeholder database. Registered Interested and Affected Parties (I&APs) will be kept updated with all the developments related to the Basic Assessment Process.

- PURPOSE**
The purpose of this tender is to appoint a suitably qualified service provider who will provide comprehensive ICT Disaster Recovery and ICT Business Continuity Services to SALB that builds organisational resilience such that it continues the delivery of products and/or services at acceptable predefined levels following a disruptive incident.
- REQUIREMENTS**
 - The Solution can be a cloud-DR or virtual site (Effective cloud disaster recovery to provide continuity for services and the ability to fail over to a second site if there is a hardware or software failure of IT systems in the primary Datacentre) or Physical Offsite (The site must be populated with servers, cooling, power, and office space (if applicable) and meet the requirements of the server rooms or Mirror-Site or Replication-site. The solution must have enough storage to last up to 5 - 10 years.
 - DR Testing
 - Server Replication Services - The successful service provider must ensure that full virtual and physical servers in SALB's production environment are replicated daily using appropriate technologies.
 - Information Security - The successful service provider must ensure that SALB's information security is not compromised by ensuring that they adhere to the Information Security policies of SALB. Bidders are required to ensure that information from SALB's ICT systems are not accessible or disclosed to another ICT system of other clients.
 - ICT DR Training - It is required that regular ICT DR training be provided (at least twice a year) to relevant SALB staff in order to perform their ICT DR functions, which must be scheduled appropriately, and records kept of the training delivered.
 - ICT System Testing - Service providers are required to ensure that all ICT systems essential for disaster recovery are tested regularly to ensure their continuing capability to support ICT DR plans; especially when there are any significant changes in SALB requirements or changes in the successful bidder's service provider capacity and capability that affect services to SALB.
 - Reports - reports are to be generated for the SALB Management on a weekly/monthly/quarterly basis to assist them with their planning and analysis.
- TERMS & CONDITIONS**
 - The Management of the South African Library for the Blind reserves the right not to accept any or proposal or to sign any Agreement related to this request.
