

ERRATUM

COJ/EISD002/24-25

DESCRIPTION: APPOINTMENT OF A SERVICE PROVIDER TO UNDERTAKE REHABILITATION, PROJECT MANAGEMENT, AND ENGINEERING DESIGN FOR THE INTEGRATED WASTE MANAGEMENT FACILITY AT KYA SANDS LANDFILL SITES FOR THREE (3) YEARS

The City of Johannesburg Metropolitan Municipality (the City) wishes to inform all interested parties that there has been a revision regarding the CIDB grade from 7CE to 8CE or higher for the above-mentioned tender number for the appointment of service providers to undertake rehabilitation, project management, and engineering design for the integrated waste management facility at Kya Sands landfill sites for three (3) years.

This erratum has been issued due an error in the tender document initially issued on 4th April 2025. It was discovered that the CIDB grade of 7CE, as stated in the terms of reference and published on the City's website and e-tender platform, was inconsistent with the information available on the CIDB website. This discrepancy could materially affect the tendering process.

As a result, the City has issued an addendum addressing the issue. The addendum is available on the City's website at www.joburg.org.za and at the National Treasuries e-tender portal at www.etenders.gov.za. Interested bidders must note that a CIDB 8CE grade or higher is one of the mandatory requirements. Failure to meet this CIDB requirement will result in the bid being deemed non-responsive.

ALL OTHER TERMS AND CONDITIONS AS PER THE INITIAL INVITATION REMAIN UNCHANGED
