

ANENEXURE A: Company Track Record

This annexure is critical for the evaluation of the company’s experience, as required under Criteria A. The bidder must list at least three (3) projects successfully completed in the Infrastructure and Built Environment within the last ten (10) years.

The bidder must ensure that the contact details provided for each project are accurate, as the referees will be contacted during the evaluation. The allocation of points will depend on the information provided by the referees.

This annexure must be completed electronically
