Dear Sir/Madam

Request for Enquiry Number	E3024DXKZNOU
Description / Project Title	An Enabling Agreement with a Panel of Twelve (12) Service Providers for the Inspection and Treatment of wooden poles on an “as and when” required basis in the Central East Cluster (Kwa-Zulu Natal and Free State Operating Units) for a period of three years.
Tender Questions Closing Date	20 July 2026

Item	Questions	Answers	Clarity Published Dates
1.	Handling and application of Chemicals (boron rods and gel/paste wrap) used to treat poles – weight 10 points This training is done with the pole testing training and it is added on the wood pole certificate as Unit Std 116301 will this be fine ?	The training for application and handling of chemicals is a separate course to the Pole inspector course. Hence a separate training certificate will be required for that.	07 July 2026

2.	Kindly note that on page 3 of the NEC3 contract (as per attached) , form of Offer and Acceptance indicates Rate Based. As per the clarification meeting, it was mentioned that rates were to be filled out and submitted. Please advise if there will be an amendment to this part of the document and updated on the Tender Bulletin Site, as our tendered amount need to be indicated under this field .	Page 3 of the NEC is Correct. There will be no amendment. You are <u>not required to complete the Total Price.</u> You are required to price the rate for each activity on the BOQ /PriceList.	07 July 2026
3.	We would like to seek clarification regarding the resources requirements specified in the tender The tender indicates that one PCO and 2 inspection teams are required. However according to DOA that it is 1 PCO per team. Based on this confirmation we kindly request that Eskom clarify whether the tender requirements for one PCO and 2 teams remain applicable or whether one inspector per site will satisfy the inspection requirements..	The mandatory requirement is • 1xPCO holder per tendering company.	07 July 2026
