<b>TOTAL</b>		<b>100%</b>

**3. SCORING****Price/BBBEE**

80/20 principle as per PPPFA

The Supplier shall at all times during the request of proposal / quotation process or after order placement and in the execution of its supply adhere to the highest standard of professional conduct in its relations with Denel Aeronautics, its employees, former employees or representatives. This supplier undertakes, but not limited to, strictly adhering to Denel Aerostructures rules and regulations, bidding payment or favors of any kind by the Supplier to any employee or representative or former employee or representative of Denel Aeronautics.

## 1. SUB-CONTRACTING

Bidders who make use of subcontractors.

The bid shall however be awarded to the Bidder as a primary contractor who shall be responsible for the management of the awarded bid. A Bidder which was awarded the contract after scoring HDI / RDP goals is not allowed to subcontract more than 25% of the contract to a non-HDI entity. No separate contract shall be entered into between DENEL AEROSTRUCTURES and any such subcontractors. Copies of the signed agreements between the relevant parties must be attached to the bid responses. A list of potential subcontractors must be presented with the bid.

1.1 Will any portion of the contract be sub-contracted?

**(Tick applicable box)**
