OFFICE OF THE SUPPLY CHAIN MANAGEMENT

It is intended that by NWPTB entering into a Management Agreement with a Private Party (ies), NWPTB will be able to focus on its core activity of conservation. It is intended that the Private Party (ies) will manage/co-manage the facility according to strict environmental standards maintained by NWPTB. In addition, the Operator(s) will have to respect existing regulations regarding protection of the environment.

NWPTB may appoint one or more suppliers, in whole or in part, or not appoint any supplier/s at all, and/or cancel the Bid in its entirety, at NWPTB's sole and exclusive discretion, in order to satisfy various needs which may be identified, and to manage certain risks associated with the supply of goods or services specified in respect of the Bid.

Service providers are therefore requested to submit the following documents:

1. Business Profile indicating
 - a. Business shareholders and directors.
 - b. The business activities, mission, goals, and strengths.
 - c. A brief synopsis of service offerings, applicable methodologies, including images of projects.
 - d. The story of the company's founding and its products or services.
 - e. Business full contact details and physical address.
 - f. List of clients and completed projects for similar services.
 - g. The business activities, mission, goals, and strengths.
 - h. Number of years of experience in the industry.

5. RETURNABLE DOCUMENTS

Screening requirements to be eligible for consideration, i.e., documents that **MUST** be submitted with the EOI document:

- a. An original or certified copy of the B-BBEE Status level certification that is valid or sworn affidavit for (EME/QSE)
- b. Proof of registration of Closed Corporation or Company or other legal entities applicable to tender, i.e., Copy of company registration document.
- c. Proof of registration on Central Supplier Database

6. EOI PROPOSAL REQUIREMENTS

The service provider must prepare a written proposal as part of the EOI submission to confirm that their company have both the skills and experience necessary to undertake the range of tasks set out in the scope of work. The proposal must provide a clear approach on how they plan to manage and commercialise the facility of interest. This proposal must not exceed 20 (twenty) written pages, inclusive of pictures.

Other requirements to be included:

1. Reference to previous projects.
2. Project Implementation Plan (Sample plan of any implemented projects).
3. Relevant expertise in the industry.
4. Plan on how the service provider will safeguard the jobs of the existing labour force in the facilities.

7. GENERAL CONDITIONS

The applicant shall bear all costs associated with the preparation and submission of the EOI. NWPTB will be in no case responsible or liable for those costs regardless of outcomes of this call for EOI.

As NWPTB, we are committed to protecting your privacy and ensuring that personal information collected is used properly, lawfully, and transparently.

NWPTB reserves the right to invite selected suppliers to make presentations for better understanding of their business offerings.
