Effective Date	11 February 2020		
Review Date	February 2023		

	Functionality Criteria	Maximum number of points percentage		
	Functionality	100%		
	Overall minimum threshold for functionality to proceed to the next phase	70%		
	Repair of Steel Pipeline Services at Kor	mati Water Scheme	Weight	
1	Experience on successfully completed Mai	ntenance projects in the past 5 years	20	
	Provide proof of similar service experience by below:			
	Contract/ appointment letter amount (The exp service) - evidence to be in client letterhead, r value/amount, service:	erience required will be that of similar reflecting period i.e. start and end date strictly,		
1.1	0 = no evidence	20		
	10 = less than R 200 000.00 for the duration o			
	20 = R 500 000,00 to 1 000 000.00 for the dur	ration of the projects	Control of the Contro	
2	Method statement for pipeline repairs philo The method statement shall indicate definition		20	
	Method statement in terms of Welding pipes			
2.1	0 = no evidence		10	
	10 = Submission of method statement			
Method statement in terms of Corrective Mainten		tenance		
2.2	0 = no evidence		10	
	10 = Submission of method statement		,	
	Resources – key assigned personnel	50		
3	Proof of assigned key personnel must be submitted with the last 5 years' experience clearly defined
