9 Specification/Scope of Work

- The Occupational Health and Safety Act, 1993 (Act no 85 of 1993) places the onus on employers to ensure that the working environment is safe and without risks to the health of their employees. Collusive bidding is a per se prohibition meaning that it cannot be justified under any grounds. Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process.
