NOTE:

EVALUATION AND APPOINTMENT TO THE PANEL

The evaluation of bids for purposes of establishing the panel will be conducted in stages as follows:

Stage 1: Administrative Compliance

Bidders will first be assessed for compliance with the mandatory administrative and submission requirements specified in the tender document. Only bidders that meet the applicable administrative requirements will proceed to the functionality evaluation.

Stage 2: Functionality

Bidders that meet the administrative requirements will be evaluated against the functionality criteria specified in the tender document. Bidders must achieve the stipulated minimum qualifying score for functionality to be considered for appointment to the panel.

Stage 3: Establishment and Utilisation of the Panel

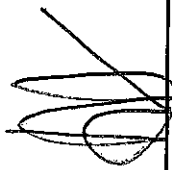

The panel will be established from bidders that meet the mandatory administrative requirements and achieve the minimum qualifying functionality score.

Price and specific goals will not be used to determine the ranking of bidders for purposes of establishing the panel. The panel is intended to provide a pool of suitably qualified service providers from which specific requirements may subsequently be sourced.

Where services are subsequently required from the panel, the Municipality will obtain quotations/offers from the appointed panel members in accordance with the applicable SCM policy, procurement requirements and legislation. **The applicable pricing and preferential procurement**

requirements, including specific goals where applicable, will be considered at the stage at which a specific requirement is sourced and awarded.

Appointment to the panel therefore does not constitute an award of work, a guarantee of work, or a commitment by the Municipality to utilise any particular service provider.
