

ANNEXURE A: APPROVED LIST

Applications are invited for the assessment of new entrants for goods and services currently on Transnet Pipelines Standing Approved List.

Transnet Pipelines wishes to determine if there are any new or additional suppliers of the following goods or services for inclusion on the following Standing Approved List:

Item No.	Item Description
1	Eaton UPS New and Repairs OEM
2	VSD spares for ABB ACS1000
3	Blue Ginger Battery Chargers
4	11kV MV GEC Generators
5	400V LV Generators & Fire Engines - Cummins
6	Trane Chillers
7	Siemens Simoprime MV Switchgear
8	ABB MV Switchgear
9	ABB Protection Relays
10	Siemens Protection Relays
11	400V 3 Phase Induction LV Motors, Hazardous locations
12	Cameron Grove B4/B5 Ball Valves & Seal Kits (4" to 24" & 150# to 900#)
13	TD Williamson Stopple kits (various sizes to fit 6" to 24" Stopple fittings)
14	TD Williamson Taping and Plugging Machine Parts: sealing element/cups, Fittings / saddle c/w Lock-O-Ring plug and blind flanges
15	Cameron-General Twin Seal/Truseal EPV DB&B valves (2" to 20", 150# to 900#)
16	Cameron –General Twin Seal EPV Slips, Soft Goods Kits and Gear Operator 2" - 20"
17	Wilden Pump and Engineering Pumps & Spares
18	Bandlock Launchers /Receivers Spares
19	Tom Wheatly Check Valves Seal Trim Sets 12-24" 600#-900#
20	Dembla B-Pump Control Valve Trim sets
21	Dembla Motorized Control Valve and Spares
22	FM200 Equipment
23	Detronics Fire Systems supply of components and OEM repairs
24	Control Seal Motorized EPV Spares 8", 10" & 14" 600# (gear train, soft kit & slips)
25	Clock Spring Kit: adhesives, filler, activator, installation kits
26	Audco Plug valves (2" to 4", 150#, 600#, 900#)
27	6 inch – 24 inch Bi-Directional Mandrel Steel bodied, multi bolt pig body assembly with polyurethane sealing/ support discs and two circular steel wire brushes complete with magnets and bumper nose
28	6 inch – 24 inch Foam pig to be used in a 16-inch and 18-inch gas pipeline with a nominal wall thickness of 7mm and a minimum bend radius of 3D. Long range distance heavy density foam, pig to be constructed from a polyurethane foam with durable polyurethane elastomer coating in a criss-cross pattern and silicon carbide material in loose grit or strap foam
29	TAP + Enclosure - Domed Weld on and split bolt on for 6", 8", 12", 16", 18", 20", 24" sizes
30	Byron Jackson horizontally split BB1-BB3 multi stage API610 pumps repair and supply of parts
31	Nuovo Pignone horizontally split BB3 multi stage API610 pumps repair and supply of parts
32	KSB axially and horizontally split BB1- BB3 multi Stage API610 pumps repair and supply of parts
33	KSB Pumps Mechanical Seals repair and supply of parts
34	Sulzer Single and Multi stage BB1-BB3, horizontally split, over hung and vertical spindle API610 pumps repair and supply of parts
35	Ruhrpumpen Vertical Spindle API610 Booster pumps repair and supply of parts
36	Flowserve Vertical Spindle API610 Sump tank Pumps repair and supply of parts

Item No.	Item Description
37	Mather and Platt API610 pumps repair and supply of parts
38	Mono Screw type pumps repair and supply of parts
39	Orbit screw type pumps repair and supply of parts
40	Gorman Rupp API610 pumps repair and supply of parts
41	Viarr Ball valves Seal kits (4" to 24" & 150# to 900#)
42	Viarr Ball Valve Gear boxes
43	Denso pipeline wrapping products: a. Primer D b. Inner wrap: Denso Corroklad LDP075 (150MM X 20M and 225mm x 50m Rolls) c. Outer wrap: MDP032 (150mm x 20m and 225mm x 50m Rolls) d. Rock shield 500 microns
44	Coalescer Cartridges – Qualified to EI 1581, 6th Edition, Category C Model CAA56-5 and CAA38-5
45	Synthetic Separator Cartridges – Qualified to EI 6th Edition, Category C Model SS 644FD-5, SS629 FD
46	Microfilter Cartridges – EI 1590 Qualified Model FA-644-2A
47	Signal Conditioner, Model SC106 (DUAL IO), Stercon
48	Accelerometer; P/N: PZS326D02211, Sensorics
49	Safety Barrier; Model: KCD2-RR-EX1, Pepper and Fuchs
50	Barrier, P/N: 680 Zener Diode (LESVD-13/12/2006), Elcon
51	Density Detector, Co-Mini-ISD Probe SXN-M-1524/F1, Ultraflux
52	Rotork Actuators
53	3.3 kV Induction Motor Repairs to OEM standards/specifications
54	3.3kV ABB Motors repairs to OEM specifications and TPL specification PL610 Rev. C
55	Flowserve Mechanical Seals, new and refurbish, all spare components
56	John Crane Mechanical Seals and Couplings, new and refurbish
57	Eagle Burgmann Mechanical Seals, new and refurbish
58	Inbal Fire System valves, new valves, spares and repairs
59	Cameron General Four Way Diverter Valve, new valve, gearbox, operator, spares and repairs
60	Omniseal EPV Spares (i.e. slips, o-rings, gaskets, gear operator, gearbox) and repairs
61	Rotork Gearboxes for ball valves
62	RGR Valve Seal Kits (4" to 24", 150# to 900#)
63	Fire Fighting Foam: Flourine Free: Dr Sthemha
64	Fire Fighting Foam: Thunderstorm
65	Fire Fighting Powder: Purple K Powder
66	Emergency Trailer Spares: Double Assassin
67	UHP Polly – Honda motor driven Skid Unit Spares
68	MSA Gas Detector Supply, Calibration and Repairs
69	High Volume Trailer Spares; Ambassador
70	FireDos Foam mixing units – supply of parts and repairs
71	Rockwell P6000T VSD
72	ABE 4 Metal Primer
73	ABE Abecote 352 Epoxy Coal Tar Paint
74	ABE Abedex Unigum
75	ABE Bitu Prime
76	ABE Dowsil 888 Non-Sag Silicone Joint Sealant
77	ABE Dowsil 890 Self-Levelling Silicone Joint Sealant
78	ABE Dura Cord & Dura Sheet
79	ABE Durabond GP
80	ABE Duraflex Cementitious Waterproofing Slurry

Item No.	Item Description
81	ABE Duraflex Ecofelt
82	ABE Duragrout HP High Performance Bedding Grout
83	ABE Durajoint Flexband
84	ABE Durajoint HDPE Backing Strips
85	ABE Durajoint Solvent Wipes
86	ABE Durajoint SW-B
87	ABE Durakol GHM Polysulphide Sealant
88	ABE Durarep EC – Epoxy Cement
89	ABE Durarep FMC + MCI
90	ABE Durarep FR + MCI
91	ABE Durarep ZR Primer
92	ABE Durasil SH
93	ABE Duraslurry
94	ABE Epidemix 344 Wet to Dry Epoxy
95	ABE Epidermix 314
96	ABE Epidermix 326 Sealant Primer
97	ABE Epidermix 345
98	ABE Epidermix 395 Low Viscosity Epoxy
99	AB Proof PU ECO
100	ABE Silvakote
101	ABE Super Laycryn
102	ABE Super Laykold
103	DMAG Crane Repairs OEM
104	Surge Arrester, Blitzductor Type LZC, Surgetek
105	Pick-Off Coil, Model SC 100CX, Stercon
106	Communication Gateway, 3500/92, Bently Nevada
107	Proximator/Seismic Monitor, 3500/42M, Bently Nevada
108	Temperature Monitor, 3500/61, Bently Nevada
109	Transient Data Interface, 3500/22M, Bently Nevada
110	Keyphasor Sensor, 3500/25, Bently Nevada
111	Turbine Meter; Sentry 14 inch, K2DVA0A223
112	Turbine Meter; Sentry 6 inch, K2DGA0A3040
113	Turbine Meter; Sentry 8 inch, K2DTA0A3040
114	Pick-Off Coil, Sentry 644327-401, 100 F to 225 F, Smith Meters
115	Pre Amplifier Card, PA-11, Smith Meters
116	Electrical Manufacturing CP Rectifier Parts
117	Cathodic Protection Smartlok Underground Test Post enclosures
118	Testing Equipment (Fluke, Meggar) Calibration
119	Electric Fence Energisers - Nemtec

For inclusion to the current Standing Approved List, new entrants must indicate the number from Item Description from above and complete all the information below:
