

C2.2 PRICING SCHEDULE/ BILL OF QUANTITIES (BoQ)

- All armed Security Officers must have a valid firearm competency certificate issued by (SAPS) South African Police Services and must always be in possession of a valid firearms permit issued by the employer while on duty.
- All Dog Handlers must have a valid training certificate issued by a Training Institution accredited by (PSIRA) Private Security Industry Regulatory Authority and or (SASSETA) Safety and Security Sector Education and Training Authority.
- The Dog Handlers must be trained and competent in the following (SAQA) South African Qualifications Authority unit standards.

SAQA US ID	UNIT STANDARD TITLE
243190	Handle a trained service dog to deter crime
120463	Handle a dog in searching for and the apprehension of a suspect
24188	Care for a service dog

PROVISION OF SECURITY SERVICE DOGS

Security Service Providers are required to provide dogs of the following breed:

- Doberman,
- Rottweiler or
- German Shepherd
- Dogs shall be free of contagious diseases and certified as such by a registered veterinary surgeon. A certified copy of such certificate shall be made available to Rand Water as and when required.
- Under no circumstances shall the security service provider provide any other breed of dogs than the above-mentioned breed.
- Dogs must be able to protect their handlers, to intercept perpetrators and to be alert for intruders in their patrol area of responsibility.
- Dogs shall also be able to overcome obstacles such as steps, one (1) meter high walls and be able to crawl underneath low objects such as storm water pipes in tunnels.
- Dogs must be able to obey not more than one handler and shall only be under his/her control.

- Dogs shall always be under the supervision of the handler while on duty.
 - Dogs must be between one (01) and five (05) years of age.
 - Dogs shall always be properly kenneled, groomed and fed to maintain them in a good state of health.
 - Dogs which are not capable to effectively carry out the functions shall be replaced within three (03) hours.
 - Fresh food and water as well as equipment such as lead, food and water bowls choke chains and combs shall at all-time be available by the Service Provider.
 - The service provider is required to provide security services dogs that are trained and competent to perform the following duties: deter crime, search for, and apprehend suspects (Guarding and Patrol).
 - The service provider is also required to comply with all relevant and applicable legislation regulating the use of security service dogs, the industry norms standards, Rand Water and Emfuleni Local Municipality Policies and procedures.
 - Mobile Supervisors are required to conduct a site visit at least once per shift per site.
- NB:** Posting is not regarded as site visit.
