MEMO

Good day,

TENDER CLARIFICATION ADDENDA.

INVITATION TO TENDER No. E3526GXMPKUS

Design, Supply and Installation of Kusile Fuel Filling Station for a Period of Seven (7) Months

Reference is made to enquiry number **E3526GXMPKUS** [Design, Supply and Installation of Kusile Fuel Filling Station for a Period of Seven (7) Months]

This addendum serves to notify all prospective tenderers of a revision to the tender validity period. The validity period has been amended from **180 days after the tender closing date** to **12 weeks from the tender closing date**.

The original enquiry documents indicated a tender validity period of 180 days after the closing date. However, as this is a **CIDB-related transaction**, the prescribed tender validity period, in accordance with the applicable procurement procedures, is **12 weeks from the tender closing date**.

Also note that the tender closing date have been extended to **23 October 2026** at **10h00**.

Tenderers are kindly requested to take note of this amendment and ensure that the revised tender validity period is reflected and incorporated in their tender submissions. All other terms and conditions of the tender remain unchanged.
