## **1. INVITATION**

The purpose of this request for proposals, is for the establishment of a panel of legal service providers, that will be to balance and augment the capacity of the Companies Tribunal; to develop strategic responses to challenges facing the Organisation; to initiate and implement programs which will give effect to those responses; and to undertake specific legal tasks, either as part of strategies to be developed or as *ad hoc* responses to particular problems which may arise.

Generally, timeframes cannot be set before entering into a formal agreement. As such, the duration of any given assignment will depend mainly on the nature and scope of the work to be done. Appointed service providers must be available at all junctures to provide assistance within the set time frames, as requested. When deadlines are set, service providers will be expected to deliver the required services within the set timeframe. Non-performance will lead to removal from the panel.

A service provider that is appointed to render services to the Organisation will have to enter into a Service Level Agreement (SLA) with the Organisation, when necessary and depending on the type of assignment that is procured. Proposed fees with a detailed breakdown of costs must be quoted for the different levels of proposed resources to be utilized once a specific project is assigned.

When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years.
