RE: INVITATION TO TENDER : (ERI/2025/TSS/13),

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the following tenders:

DESIGN AND SUPPLY TRANSFORMER CORES AND SHUNTS FOR A PERIOD OF 5 YEARS -(ERI/2025/TSS/13)

The reason for cancellation is due to the following:

- Material irregularities (such as non-compliance with legislation or where the constitutional principles of fairness etc is breached);

Therefor because of the stated above, the tenders will be re-issued and the following will be completed to ensure the correct tender will be followed:

- CFT members must thoroughly scrutinise the scope of work and allocation of work provided to ensure accuracy and completeness.
- The Technical Team must attend clarification meetings to prevent confusion and misinterpretation among suppliers.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
