Note to Bidders: *The GMA will assume that a Bidders Response complies in all relevant respects with the Specification unless the Bidder states otherwise. Failure to notify the GMA of any non-compliance may result in a Bidders Response being disregarded.*

- **Yes/Complies** means that in all respects the Bidders Response meets or otherwise satisfies all specified outputs, characteristics or performance standards.
- **Will comply subject to conditions** means that the specified outputs, characteristics or performance standards can only be met by the Bidder subject to certain conditions.

It is not sufficient that the statement appears only as part of an attachment to the Tender, or be included in a general statement of the Bidders usual operating conditions.

69. An incomplete Tender may be disqualified or assessed solely on the information completed or received with the Tender.

ALTERNATIVE TENDER

76. The GMA reserves the right to consider such offers on their merits or not to consider them at all.

CONTRACT DISCLOSURE REQUIREMENTS

DISCLOSURE OF INFORMATION

77. The Conditions of Tendering include a provision for the disclosure of contract information (refer to this RFP Part A dealing with "Use of Tenders").

- c. any measures taken to guard its secrecy;
- d. its value to the Bidders business and to any competitors;
- e. the amount of money and effort invested in developing the information; and

- a. Shortlist one or more Bidders; and
 - b. accept one or more of the Tenders.
84. Unless the Evaluation Criteria explicitly require, the GMA may, but is not in any way bound to, shortlist, to select as successful, or to accept the Tender offering the lowest price.
85. Should the GMA choose to include a short listing stage in its evaluation process, the GMA is not, at any time, required to notify Bidders or any other person or organisation interested in submitting a Tender.
86. A Bidders Response will not be deemed to be unsuccessful until such time as the Bidder is formally notified of that fact by the GMA. The commencement of negotiations by

the GMA with one or more other Bidders is not to be taken as an indication that any particular Bidders Response has not been successful.

EVALUATION CRITERIA FORMAT

87. The evaluation criteria is weighted to reflect the importance of project requirements noted in the Specifications:
88. In evaluating Bidders Responses, the GMA will have regard to:
- a. Specific evaluation criteria identified in the list below;
 - b. the overall value for money proposition presented in the Bidders Response; and
 - c. particular weighting assigned to any or all of the evaluation criteria specified below.
89. For the purposes of this RFP clause 90, 'value for money' is a measurement of financial and non-financial factors, including:
- a. Quality levels; and
 - b. performance standards.
90. Value for money will be assessed on a 'whole of life' basis (including the transitioning-in, the contract term and the transitioning-out phases of the relationship between the GMA and a Bidder), with a view to long-term sustainability of the value for money proposition and with a focus on ensuring that value for money outcomes are promoted and protected following the conclusion of any contract that may result from this RFP.
91. Administrative compliance will be determined in accordance with the conditions listed in this RFP.
92. The evaluation criteria will be in line with the PPPFA, 2000 (Act No. 5 of 2000), Preferential Procurement Regulations 2022 and the approved GMA SCM Policy.
93. Evaluation will be based on a point system and three-stage evaluation process. As a pre-requisite, a bid must comply with the requirements of the bid solicitation and meet the pre-qualification/mandatory requirements (if any) before being evaluated further to the second stage. The minimum threshold of the functionality evaluation criteria must also be met in order for the bid to be declared responsive and acceptable and qualify to the third evaluation stage.
94. The value of this bid is estimated to be above R 50,000,000 and therefore the 90/10 preference point system shall apply. The following is the weighting awarded for each element, and the threshold score.

Evaluation element	Weighting	Threshold score
Technical proposal	100	75 Points
Specific goals	10	N/A
Price proposal	90	N/A
Total	100	

FUNCTIONALITY EVALUATION

95. The evaluation criteria for measuring functionality, and the weighting attached to each criterion is detailed in **Part B of the RFP document, Paragraph 6 of Terms of Reference**. Failure to provide adequate information for evaluation of the criteria listed below will at least result in minimal subjective consideration and may result in loss of points.

96. The minimum threshold for functionality is indicated in clause 94. Bids that do not meet this threshold will be disqualified from further evaluation.

97. Thereafter, only the qualifying bids will be evaluated in terms of the 90/10 preference point system, where a maximum of 90 points are allocated for price and a maximum of 10 points are allocated in respect of Specific Goals.

PRICE EVALUATION

98. Price points will be calculated on the total price proposed solution as per terms of reference, using the following formula:

$$Ps = 90 \left(1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where:

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmin = Price of lowest acceptable tender

PREFERENCE EVALUATION

99. Ten (10) points are allocated for preference (Specific Goals). B-BBEE rating certificates and affidavits signed under oath are the Specific Goals applicable for this tender. Preference points will be allocated in terms of the BBEE Codes of Good Practice guideline as indicated in the following table.
100. To claim Preference points, Bidders must submit the duly completed and signed SBD6.1 and a valid BBEE Certificate or affidavit signed under oath which will be verified.

B-BBEE Status Level of Contributor	Number of points
1	10
2	9
3	8
4	5
5	4
6	3
7	2
8	1
Non-compliant contributor	0

TOTAL POINTS AWARDED

101. The total points scored by a bidder to determine the winning Bidder will be calculated by adding the points attained for preference (Specific Goals) to the points scored for price.

CLARIFICATION OF TENDERS

102. The GMA may seek clarification from and enter into discussions with any or all of the Bidders in relation to their Tender. The GMA may use such information in interpreting the Tender and evaluating the cost and risk in accepting the Tender. Failure to supply clarification to the satisfaction of the GMA may render the Tender liable to disqualification.

103. The GMA is under no obligation to seek clarification of anything in a Tender and reserves the right to disregard any clarification that the GMA considers to be unsolicited or otherwise impermissible in accordance with the rules set out in this RFP.

DISCUSSION WITH BIDDERS

104. The GMA may elect to engage in detailed discussions with any one or more Bidders, with a view to maximising the benefits of this RFP as measured against the evaluation criteria and in fully understanding a Bidders offer.
105. In its absolute discretion, the GMA may invite some or all Bidders to give a presentation to the GMA in relation to their submissions, that may include a demonstration of software, programs or unique methodologies proposed, if applicable.
106. The GMA is under no obligation to undertake discussions with, or to invite any presentations from Bidders.
107. In addition to presentations and discussions, the GMA may request some or all Bidders to:
- a. Conduct a site visit, if applicable;
 - b. provide references or additional information; and/or
 - c. make themselves available for panel interviews.

BEST AND FINAL OFFERS

108. Bidders or where the Tendering Process involves a short listing process, shortlisted Bidders may be invited by the GMA to submit a best and final offer in relation to all or certain aspects of their respective Tenders.
109. The GMA is under no obligation to give Bidders the opportunity to submit a best and final offer. If the GMA chooses to give Bidders the opportunity to submit a best

and final offer, it is under no obligation to give notification before the Closing Time that such opportunity will be given.

110. Notwithstanding the possibility that the GMA may give Bidders the opportunity to submit a best and final offer, Bidders should be aware that the GMA will, in conducting its evaluation of Tenders, rely on all information (including all representations) contained in such Tenders. Bidders are therefore encouraged to submit their best and final offers in the first instance.

PRE-CONTRACTUAL NEGOTIATIONS

For the avoidance of any doubt, in these circumstances the GMA will be free to proceed via any alternative process.

115. The GMA may conduct a debriefing session for all Bidders (successful and unsuccessful). Attendance at such debriefing session is optional.
