

- **Description**

3-PLY DISPOSABLE MEDICAL MASK BLUE

An adjustable soft aluminium nose bar allows for ease of moulding onto nose and optimum fit.

100% Latex free ear band loop prevents irritation and eliminates pressure on the ear.

Hypoallergenic due to the polypropylene synthetic material preventing allergies.

Glass fibre free

Automatic ultrasonic bonding adds to the cleanliness of the mask

Lightweight and comfortable to use in humid environments.

A 3 pleat triple layer construction provides stronger support to the mask

Pack of 50 in a box
