

SUPPLIER DEVELOPMENT AND LOCALISATION TARGETS

1. PRE-QUALIFICATION CRITERIA

- 1.1. Only tenderers that have a B-BBEE recognition status of Level 1 to 2 contributor will be considered.

2. OBJECTIVE CRITERIA – Local Content and Local-to-site beneficiation

ERI is using this procurement opportunity to promote socio-economic transformation, empowerment of small enterprises, rural and township enterprises, designated groups and promotion of local industrial development. It is against this background, therefore that ERI reserves the right to award the contract to a supplier that commits to Transformation - B-BBEE Improvement or Retention Plan, Skills Development, Job Creation and Socio Economic Development in favour of beneficiaries residing within the Local Municipalities where the service will be consumed.

2.1. Supplier Development & Localisation Matrix

The SDL&I Matrix is not an evaluation criterion, however the successful supplier is under obligation to submit proposals before it is eligible for award in accordance with Section 2 (1) (f) of the Preferential Procurement Policy Framework Act (PPPFA).

2.2. Transformation – BBBEE Retention or Improvement Plan

Transformation remains an area of focus, where ERI continuously strives to align itself with national transformation imperatives to unlock growth, drive industrialisation, create employment and contribute to skills development.

ERI encourages its suppliers to constantly strive to improve their B-BBEE rating. Whereas Respondents will be allocated points in terms of a preference point system based on its B-BBEE scorecard, ERI also requests that Respondents submit B-BBEE improvement plan.

Respondents are therefore requested to indicate the extent to which they will maintain (only if the Respondent is a Level 1) or improve their B-BBEE status over the contract period. Respondents are requested to submit their B-BBEE Improvement Plan as an essential document with their bid.

2.3. Skills Development

Considering the overall budget, duration of the contract, opportunities for growth in this industry and the industries annual contribution to skills development levies, the successful supplier is obliged to develop skills through a three year bursary offer valued at R120 000.00 per student at a registered and accredited South African university.

The skills development initiative will not be part of the weighting criteria however as a condition for contract award, the successful supplier shall offer a three year bursary valued at R120 000 per student to an assigned beneficiary at a registered and accredited South African university, for every R4.8 million invoiced of the cumulative contract amount.

Training of candidates

The successful supplier shall offer a three year university bursary in favour of a student within the Local Municipality where the service will be consumed for every R4.8 million invoiced of the cumulative contract amount. The skills development commitment shall be carried out within one month of reaching or exceeding the R4.8 million threshold.

Reporting

At task order stage successful supplier will be required to submit a plan to ERI for approval as part of the implementation schedule, which sets out the following in detail:

- Details of South African university including year of study and full time programme;

2.4. Job Creation

To be completed by the tenderer

Number of jobs to be created as a direct result of this contract	
Number of jobs to be retained as a direct result of this contract	

- The successful supplier must indicate in the table above the number of jobs to be created and / or retained as a direct result of this contract.
- The expectation will be that the successful supplier has a core team, which will be made up of specialised skills that may not be sourced in the areas surrounding the site. It will be required that at least **50%** of all semi-skilled and **100%** of all unskilled labour that will be utilised in executing the works, will be within Local Municipality where the service will be consumed

2.5. Socio Economic Development

The successful supplier shall spend 1% of its annual NPAT or 0.1% of Annual Revenue/ Allocated budget/ Gross receipts/ Discretionary spend, to fund the Corporate Social Investment initiative(s) aimed at empowering black communities residing within the 40 kilometre radius of the allocated Power Station.

3. Monitoring and reporting of SDL&I commitments

- a. The successful supplier shall on a quarterly basis submit a report to ERI in accordance with the SDL&I Data Collection Template on its compliance with the SDL&I obligations.
- b. ERI shall review the quarterly report submitted by the successful supplier within 60 (sixty) days of receipt of the reports and notify the successful supplier in writing if its SDL&I obligations have not been met.
- c. Upon notification by ERI that the successful supplier has not met its SDL&I obligations, the successful supplier shall be required to implement corrective measures to meet those SDL&I obligations before the commencement of the following quarter, failing which the SDL&I penalty clause shall be invoked.

4. SDL&I Penalty

- a. At the end of each quarter, ERI will apply a penalty of 2.5% of the invoiced amount excluding VAT for the successful supplier's failure to meet SDL&I obligations during that period.

Every contract shall be accompanied by the SDL&I implementation schedule which must be completed by the successful supplier and returned to the SDL&I representative for acceptance **before** contract award. This will be used as a reference document for monitoring, measuring and reporting on the supplier's progress in delivering on the successful supplier stated SDL&I commitments.
