TERMS OF REFERENCE

1. INTRODUCTION

The NHFC, is a Schedule 3A Development Finance Institution (DFI) of the National Department of Human Settlements, was established in 1996 with the principal mandate of broadening and deepening access to finance for the low to middle income South African households.

The target market of the NHFC is the low-to-middle income housing market which typically includes households whose income is from R800 up to R22 000 per month The NHFC mandate requires the company to make housing and housing finance accessible and affordable to facilitate this objective.

This is done through:

- providing wholesale funding to housing development projects for ownership, social housing, and private rental, including inner cities, and for incremental housing purposes;
- partnering with banks and other non-banking retail financial intermediaries to increase their sustained lending and innovation in the target market served; and
- Leveraging private sector funding for the sustainable development of human settlements.

More specifically, NHFC strategic priorities are to:

- Expand housing finance activities, through the effective provision of housing finance solutions, enabling low-to-middle income households to have the choice of renting, owning, or incrementally building to meet their housing needs;
- Facilitate increased and sustained lending by financial institutions to the affordable housing market;
- Mobilise funding into the human settlements space on a sustainable basis, in partnership with a broad range of institutions;
- Conduct the business activities of the NHFC in an ethical manner that ensures the continued economic sustainability of the NHFC, while promoting sustainable social and environmental development; and
- Stimulate the low-to-middle income housing sector by providing robust, relevant, and timely research and market analysis to practitioners and housing customers.

2. ESTABLISHMENT OF HUMAN SETTLEMENTS DEVELOPMENT BANK

NHFC support the National Department of Human Settlements (NDOHS) in its objective to delivery adequate human settlements throughout South Africa. In October 2018, Rural Housing Loan Fund SOC NPC (RHLF) and the National Urban Reconstruction and Housing Agency SOC NPC (NURCHA) officially merged with NHFC as the first step towards establishing a Human Settlements Development Bank (HSDB). The objective is to drive scale of housing finance provision, leverage greater private sector contribution and thus significantly grow the human settlement development impact.

The Ministry of Human Settlements has committed itself to the establishment of a Human Settlements Development Bank (HSDB) in support of scaling up delivery in the entire human settlements' delivery value chain. In the process of the HSDB establishment, the HDSB Policy and HSDB Business Case have been completed; and the HSDB Bill is at the draft stage. The Business Case and the HSDB Bill will first be considered for approval by Cabinet, after which the HSDB Bill will be presented to Parliament for further consideration and consultation process. Only after Parliament passes the HSDB Bill, will the President sign it into an Act enabling the establishment of the HSDB. The timeframe for full establishment of HSDB is yet to be determined.

The office space required as per this bid takes into account the requirements of staff growth as a result of NHFC assuming the HSDB role.
