Auction 0010556460

Kemp Network Load Balancers 3 years' Subscription Renewal

IMPORTANT NOTICE

Failure to comply with the completion of the auction conditions and the required information or submission of the required stipulated documents indicated in this document shall invalidate a bid.

1 Introduction

- 1.1 The Electoral Commission seeks to renew Kemp Load balancers license subscriptions for a period of 36 months.
- 1.2 **Bidders must place a bid on the Votaquotes (e-Procurement) system and then provide all the required documentation before the due dates as specified in this document and on the Votaquotes web site. Bidders must be registered and approved on Votaquotes (e-Procurement) to bid on this auction.**

2 Background Information

- 2.1 The Electoral Commission has invested extensively in ICT technologies, which provide a platform to effectively support and enable its business processes and to meet its goal of providing a free and fair election process in an open and transparent environment. The Electoral Commission's ICT Department intends to continue running a highly efficient, secure and stable ICT environment making full use of industry standards, best practices and disciplines based upon stable, secure and reliable technologies.
- 2.2 The Electoral Commission has the following devices:
 - 2.2.1 4 x Kemp Hardware devices
 - 2.2.2 4 x Kemp Virtual Load Balancers
- 2.3 The license subscriptions of 6 of the load balancer devices expire on 14 March 2026, while for the other 2 virtual devices, the expiry is on 27 August 2026. The procurement process wishes to co-term all the licenses to expire at the same time on 26 August 2029.

3 Technical Specifications

- 3.1 The technical specification for the required products is as per the bid specifications provided below. It must be noted that the technical specifications below are the minimum requirements. The only variation that may be accepted will be in case where the service provider's specification exceeds the minimum requirements. Any offers below the minimum specification requirement will be disqualified at the evaluation stage.
- 3.2 The specifications are as below:

4 Planning Assumptions

The Electoral Commission has made the following assumptions:

- 4.1 The Electoral Commission will provide technical resources for all the Electoral Commission's designated work including setup and configuration of own systems and databases.
- 4.2 Wherever the need arises the successful bidder shall do initial equipment configuration of operating systems and environmental specific requirements.
- 4.3 The delivery of the software licenses and implementation services required must be completed within the days as stipulated in the delivery and implementation schedule below.
- 4.4 The bidder's change control management process must be flexible enough to facilitate speedy deployment and resolution of problems without compromising management

controls and security.

- 4.5 Bidder to provide applicable change management processes.
- 4.6 The recommended service provider shall provide all relevant details needed to ensure successful operations capability within the organization.

5 General Auction Conditions

The following standard bid conditions must be adhered to and complied with; failing which the bid will be disqualified.

- 5.1 All bids must be placed online on eProcurement website
<https://votaquotes.elections.org.za>
- 5.2 Bidders must complete and submit [Appendix A: Technical Bid Response](#) Sheet to demonstrate compliance with the required technical specification.
- 5.3 The bidder must provide at least three (3) contactable references of past and current products, installation and configuration services of a similar nature that the bidder provided or is currently providing (Kemp Load balancer licenses and support services). Reference details must include the following: customer name, contact person, contact details (telephone, email, physical address) and service description and value of services defined in terms of budget and number of licenses supplied. The table in [Appendix C: Guideline Reference Table](#) is attached as a guideline for the compilation of the required reference information to be submitted for each reference.
- 5.4 The bidder must be authorized to sell the product supplied.
- 5.5 An Original Equipment Manufacturer (OEM) letter of proof of the reseller agreement/authorization must accompany the written documentation for this bid.
- 5.6 Should the reseller authorization be from a distributor, then a proof of authorization authorizing the distributor to resell and/or to authorize others by the OEM, must be submitted.
- 5.7 Bidder must have at least three (3) years' experience in providing the licenses and services required. Bidder must provide a profile or letter to confirm.
- 5.8 Bidder must provide a proposal detailing the OEM/Reseller services to be provided as part

of this bid. The bidder must also include an engagement model as to how the services will be provided to the Electoral Commission. Failure to provide such may lead to disqualification

- 5.9 The bidder must include a formal proof of OEM statement of licensing stating associated services terms and conditions.

5.10 Bidders must adhere to the delivery schedule in **Section 9**

6 Quality Control

The following quality control conditions must be adhered to and complied with, failing which the bid may be disqualified.

- 6.1 The bidder takes responsibility for the completeness and quality of their bid submission.
- 6.2 The Electoral Commission may contact the references directly to confirm the references provided. It is up to the bidder to ensure that the references provided are current and contactable. Failure to confirm a reference may lead to disqualification.
- 6.3 The Electoral Commission may also call on bidders to make presentations in order for the Electoral Commission to ensure full compliance with all its requirements and as part of the bid evaluation process prior to the conclusion of the adjudication of the bid. Any such request for presentations shall only be for clarification purposes in support of mandatory requirements that must be adhered to as part of the written submission requirements of this bid. Failure to submit mandatory requirements shall not be rectified by the call for presentations.
- 6.4 Any restrictions or conditions associated with any elements of the service offering/s must be detailed. The Electoral Commission reserves the right to reject conditions which are considered unfavourable to its business or unacceptable.
- 6.5 The bidder must provide the associated support and maintenance for the duration of the contract. The support and maintenance must include all services as per product code.
- 6.6 The submission of a bid implies acceptance of the terms specified in the provisions laid down in the specifications, the procurement and, where applicable, additional documents.
- 6.7 Bidders are expected to examine carefully and respect all instructions and standard

formats contained in these specifications.

- 6.8 A bid that does not contain all the required information and documentation will be disqualified.
- 6.9 Although the Electoral Commission will only deal with the principal service provider, if a bidder plans to sub-contract any of the services in this bid, they are required to attach copies of sub-contracting agreements in their bid response documentation.
- 6.10 Notwithstanding any shortcomings in these specifications, service providers must ensure that the proposed solution will form a workable and complete solution.
- 6.11 The Electoral Commission will issue a formal purchase order to the successful bidder before any services can be delivered.
- 6.12 Awarding of the bid to the successful bidder will be subject to the Electoral Commission's due diligence audit requirements, where applicable.
- 6.13 The Electoral Commission reserves the right and discretion to amend the quantities or cancel or not award this bid based on any reason including operational or financial requirements.
- 6.14 Awarding the bid to a successful bidder will be subject to the bidder entering into a Service Level Agreement (SLA) with the Electoral Commission that will formalize and regulate the final deliverables and associated processes and procedures.

17 Appendix D: Evaluation Criteria

Bidders are advised to refer to this appendix to ensure that they have addressed all critical bid requirements which will be used for assessment of the bids. Bidders are NOT required to complete and submit this section.

17.1 Stage 1: Assessment of Bidder's Disclosure

All bids received will be evaluated and assessed in respect of the mandatory information provided in the Bidder's Disclosure (SBD4) as well as the register for restricted suppliers and tender defaulters.

Any potential issues that may arise or transgressions that may identified will be pursued in accordance with statutory obligations and requirements.

In this regard, the following must be noted:

17.1.1 The Electoral Commission must, as part of its supply chain management (SCM) processes, identify and manage all potential conflicts of interest and other disclosures made by a person participating in procurement process to enable the accounting officer or delegated authority to make informed decisions about the person participating in the SCM process.

17.1.2 As such, the Bidders Disclosure form, issued as Standard Bidding Document (SBD) 4, is attached herewith for all entities who participate in the bid process.

17.1.3 As part of the evaluation of the procurement process, the information provided by a person on the SBD4 form must be evaluated.

17.1.4 In so doing, it must be noted that if the bid evaluation establishes that:

- (a) a person within the bidding entity is an employee of the State, the Electoral Commission's CEO must request the relevant accounting officer/accounting authority whether the person-
 - (i) Is prohibited from conducting business with the State in terms of Section 8 of the Public Administration Management Act, 2014; or
 - (ii) has permission to perform other remunerative work outside of their employment, where the PAMA does not apply to such employee;
- (b) the conduct of a person constitutes a transgression of the Prevention and Combating of Corrupt Activities Act, 2004;
- (c) the conduct of a person constitutes a transgression of the Competition Act, 1998, the

conduct must be reported to the Competition Commission; and

(d) the conduct of a person must be dealt with in terms of the prescripts applicable to the Electoral Commission.

17.1.5 If it is established that a person has committed a transgression in terms of the above, or any other transgression of SCM prescripts, the bid may be rejected and the person may be restricted.

17.1.6 The Electoral Commission's CEO must inform National Treasury of any action taken against a person within 30 days of implementing the action.

17.1.7 During the bid evaluation process, the Electoral Commission must in addition to other due diligence measures, establish if a person is not listed in-

- (a) the Register of Tender Defaulters; and
- (b) the list of restricted suppliers.

17.1.8 A bid related to a restricted bidder or tender defaulter shall be rejected.

17.1.9 The under-mentioned assessment criteria will be used to evaluate the elements relating to SBD4, CSD registration, tax compliance, restricted suppliers and tender defaulters:

	Assessment Criteria	Bidder Requirement (YES/NO)	Comments
1.	Bidder is registered on the National Treasury Central Supplier Database (CSD). *		
2.	Bidder is tax compliant. **		
3.	The bidder is not an employee of the state.		
4.	Having certified the SBD4, it is accepted that the bidder's conduct does not constitute a transgression of the Prevention and Combating of Corrupt Activities Act.		
5.	Having certified to the SBD4, it is accepted that the bidder's conduct does not constitute a transgression of the Competition Act.		
6.	The bidder is not a tender defaulter as per the register published on the National Treasury website.		
7.	The bidder is not a restricted supplier as per the register published on the National Treasury website.		

* No bid shall be accepted if a supplier is not registered on the National Treasury Central Supplier Database (CSD).

** A bidder must be tax compliant before a contract is awarded. A bid will be disqualified if the bidder's tax affairs remains non-compliant as per the provisions of National Treasury Instruction No 09 of 2017/2018 Tax Compliance Status Verification.
