TERMS OF REFERENCE FOR

**APPOINTMENT OF PANEL OF SERVICE PROVIDERS TO ENTER INTO A DATABASE FOR
SUPPLY AND DELIVERY OF GOODS AND SERVICES FOR YOUTH PROJECTS FOR A PERIOD
OF 36 MONTHS**

SCMU1-25/26-0001

1. INTRODUCTION AND BACKGROUND

- 1.1. The Office of the Premier (OTP) is currently implementing projects aimed at supporting young people in the Eastern Cape. These initiatives provide both financial and non-financial support to youth-owned businesses in the province. The goal is to address the rising levels of youth unemployment and the associated social challenges facing the youth.
- 1.2. The National Youth Policy (2020-2030) outlines five key pillars of youth development, with Pillar Two focusing on “Economic Transformation, Entrepreneurship, and job creation.” This pillar emphasizes ensuring that youth are actively involved in the mainstream economy, particularly through entrepreneurial ventures that generate job opportunities. The OTP is guided by this policy framework in its efforts to empower youth in the province.
- 1.3. Emerging enterprises in the townships and rural areas often face a number of challenges, such as a lack of access to funds, lack of entrepreneurial skills development and inadequate infrastructure to sustain the business. A lack of support, red tape and structured interventions further hamper the development of emerging township entrepreneurs. This further widens the inequality gap between the townships’ economy and urban economy.
- 1.4. **The Objectives of the Programme are as follows:**
 - 1.4.1. To create a conducive environment for the youth through provision of financial and non-financial support services.
 - 1.4.2. To support the creation of youth owned enterprises that are active in sectors of the South African economy
 - 1.4.3. Provide funding support for the Eastern Cape young entrepreneurs through the various stages of business development from Pre-start-up, Start-up and early development, growth and expansion stages through Isiqalo Youth Fund
 - 1.4.4. Provide knowledge based information to the youth through training.
 - 1.4.5. The programmes target young people aged 18-35 years old, working in various targeted sectors in the Eastern Cape Province.

2. OBJECTIVE OF THE PANEL OF SERVICE PROVIDERS

- 2.1. The Office of the Premier seeks to establish a panel of suitable service providers and suppliers to source various goods and services on behalf of OTP, specifically in support of entrepreneurs who have received funding from the department, including Isiqalo Youth Fund recipients, Legacy Projects, and other youth financial and non financial support initiatives implemented by the department. This panel will be appointed through a transparent and efficient bidding process and will remain valid for a period of 36 months. The primary objective of this panel is to serve as a dedicated platform that will expedite the disbursement of government financial support to youth-owned businesses in the province.
- 2.2. In line with the provisions of the National Youth Policy and the National Youth Development Strategy, which set a target for government departments to allocate 30% of procurement spend to youth SMMEs, the Office of the Premier is expected to comply with this policy directive. As such:
 - 2.2.1. Eastern Cape youth-owned businesses will be prioritized to form part of this panel, demonstrating the department's clear commitment to empowering youth entrepreneurs.
 - 2.2.2. The appointed panel will be expected to prioritize Youth owned businesses to procure the goods and services required.
- 2.3. This initiative will foster economic growth and sustainable development within the province, reinforcing the department's commitment to creating a thriving ecosystem for youth- owned businesses in the region.

3. BID STRATEGY

- 3.1. After the establishment of the panel, specifications will be compiled as and when required subject to budget availability; and will be circulated to the panelists with requests for quotations. Each job brief will contain its own unique specification and associated evaluation criteria.
- 3.2. The panel is established at a provincial level, however, to improve Local Economic Development bidders in the districts where the project is located will be prioritised. In the event bidders residing in a particular district where the project is based are unable to meet the requirements of the RFQ, the OTP reserves the right to extend the RFQ to other bidders within the panel.
