# C2.1 Pricing Instructions C2.2 Pricing Schedule

## **C2.1 Pricing Instructions**

Pricing Instructions mean the criteria as set out below, read together with all Parts of the contract document, which it will be deemed in the contract that the Tenderer has taken into account when developing his prices.

- 1. The short descriptions given in the Pricing Schedule below are brief descriptions used to identify the activities for which prices are required. Detailed descriptions of the activities to be priced are provided in the Scope of Work, with reference to Act 48 of 2000, for persons registered in terms of the South African Council for the Project and Construction Management Professions, where applicable.
- 2. While it is entirely at the Tenderer's discretion as regards pricing the Pricing Schedule below, the Guideline Professional Fees in terms of Act 48 of 2000, Tariff of Professional Fees Project and Construction Management Professions ACT, respectively are useful documents that will give Tenderers some idea of industry norms against which they may compare their rates, sums, percentage fees and/or prices as applicable.

The rates, sums, percentage fees (as applicable) used by a Tenderer to determine his offer shall not exceed the rates stipulated by the TARIFF OF FEES FOR PERSONS REGISTERED IN TERMS OF THE PROJECT AND CONSTRUCTION MANAGEMENT PROFESSIONS ACT, 2000 (ACT 48 OF 2000)") and Department of Public Works: Rates for Reimbursable Expenses document, respectively.

- **3.** For the purpose of the Pricing Schedule, the following words shall have the meanings hereby assigned to them:
