RFP CLARIFICATION

TCC/2026/07/0101/9585/RFP– CLARIFICATION

Question 1

In the tender SOW it's mentioned that Transnet will provide the following documents and tools. However, it's not clear if these will be given to the successful tenderer, or to tenderers in general, to assist in the development of the required strategy frameworks. If it's the latter, I wish to request that these documents and tools are shared with us. I look forward to your response

THE DOCUMENTS AND TOOLS THAT WILL BE PROVIDED INCLUDE:

- . Revised category taxonomy performed by a consultant in FY2024/25.
- . Historical Category Playbooks and diagnostic report developed by a consultant in FY2021.
- . Spend Cube FY24/25
- . Access to Integrated Demand Plan; confidentiality agreements/NDAs to be signed prior to access
- . In progress category strategies developed by operating division groups for review and consideration

Response

1. The documents, data and tools referenced in the Scope of Work will only be made available to the successful bidder following contract award.
2. Accordingly, these documents and tools will not be shared with bidders during the tender process.
