

Reference Number	Eskom Description	Description
40	GPS Kit,30m cable,pole,bracket	GPS Reference Clock, M Pwr 20-72Vdc, P2&P3=HV Mosfet Switch, TCXO, Timing optimized antenna and 30 metre antenna cable (LMR240), NTP/SNTP 10/100 Network Time Server Option, Lightning Protection Kit (6V - N(f)/N(f)), with Antenna pole and mounting bracket, 2.5m antenna jumper cable (RG58) (n-type to SMA connector), LAN cable (1.5m) for NTP connection to router, RG58 Co-ax cable (2.5m) with BNC-male both ends for IRIG-B via Manchester and RS232 port for IRIG-B via TTL to Gateway. GPS units Such as Tekron, Symmetricom XL-750 etc. These are replacement units.
50	GPS Kit,60m cable,pole,bracket	GPS Reference Clock, M Pwr 20-72Vdc, P2&P3=HV Mosfet Switch, TCXO, Timing optimized antenna and 60 metre antenna cable (LMR240), NTP/SNTP 10/100 Network Time Server Option, Lightning Protection Kit (6V - N(f)/N(f)), with Antenna pole and mounting bracket, 2.5m antenna jumper cable (RG58) (n-type to SMA connector), LAN cable (1.5m) for NTP connection to router, RG58 Co-ax cable (2.5m) with BNC-male both ends for IRIG-B via Manchester and RS232 port for IRIG-B via TTL to Gateway. GPS units Such as Tekron, Symmetricom XL-750 etc. These are replacement units.
310	GPS Kit,30m cable	GPS Reference Clock, M Pwr 20-72Vdc, P2&P3=HV Mosfet Switch, TCXO, Timing optimized antenna and 30 metre antenna cable (LMR240), NTP/SNTP 10/100 Network Time Server Option, Lightning Protection Kit (6V - N(f)/N(f)), without Antenna pole and mounting bracket, 2.5m antenna jumper cable (RG58) (n-type to SMA connector), LAN cable (1.5m) for NTP connection to router, RG58 Co-ax cable (2.5m) with BNC-male both ends for IRIG-B via Manchester and RS232 port for IRIG-B via TTL to Gateway. GPS units Such as Tekron, Symmetricom XL-750 etc. These are replacement units.
60	GPS without Kit	GPS Reference Clock, M Pwr 20-72Vdc, P2&P3=HV Mosfet Switch, TCXO, NTP/SNTP 10/100 Network Time Server Option, with RS232 port for IRIG-B via TTL to Gateway. GPS units Such as Tekron, Symmetricom XL-750 etc.
70	Bullet Antenna	Timing optimized antenna for the GPS
80	Antenna pole,bracket	Antenna pole with mounting bracket
90	Lightning protector	Lightning Protection Kit (6V - N(f)/N(f))
100	30 m antenna cable	30 metre antenna cable (LMR240)
110	60 m antenna cable	60 metre antenna cable (LMR240)
120	Antenna jumper cable (RG58)	2.5m antenna jumper cable (RG58) (n-type to SMA connector)
130	LAN cable	LAN cable (1.5m) for NTP connection to router
