All Tenderers

Dear Sir/Madam,

**INVITATION TO TENDER: ENQUIRY NO: AD00111**  
**TENDER CLOSING DATE: 2.00 PM, FRIDAY 27 FEBRUARY 2026**  
**Surplus Drilling, Subsea and Oilfield Equipment**

**1. INTRODUCTION**

The Petroleum, Oil and Gas Corporation of South Africa (SOC) Ltd (PetroSA) invites tenders for the purchase and removal of surplus drilling, subsea, completion and associated oilfield inventory located at various PetroSA storage facilities in South Africa.

Over time, PetroSA has accumulated a substantial volume of specialised drilling and subsea-related materials as a result of historical offshore exploration and development activities, maintenance campaigns, project cancellations, and changes in operational requirements. A comprehensive internal review and stock assessment has recently been undertaken to identify, categorise, and group these materials for disposal.

The identified materials are now offered for sale by way of a transparent, competitive open-market tender process, structured into defined lots to facilitate efficient bidding, evaluation, and collection.

The inventory offered includes, but is not limited to, subsea and wellhead systems, downhole completion tools and controls, tubulars and threaded connections, casing accessories, cementing tools, workshop spares, rigging and lifting equipment, and restricted perforation-related items. The materials are offered voetstoots, in their current condition, and bidders are encouraged to familiarise themselves with the nature, location, and composition of the items prior to submitting a tender.

All collection and removal activities will be coordinated with PetroSA's Security and Safety Departments to ensure full compliance with company policies and access protocols.

Directors: Ms Brenda Moagi; Mr Llewellyn Delpont; Mr Tembinkosi Bonakele; Ms Ditsietsi Morabe Group Chief Executive Officer (acting); Ms Sesakho Magadla Group Chief Financial Officer; Ms Nombulelo Tyandela Group Company Secretary; Ms Marlene Khumalo

You are hereby invited to submit a bid for the material located at the PetroSA Voor Baai Logistics Base.
