# TERMS OF REFERENCE FOR THE APPOINTMENT OF A SERVICE PROVIDER TO DEVELOP THE MPUMALANGA PROVINCIAL INFORMAL SETTLEMENTS UPGRADING SOCIAL COMPACT MODEL

---

## 1. PURPOSE

The Mpumalanga Department of Human Settlements (hereinafter referred to as “The Department”) wishes to appoint a Service Provider to develop a *Provincial Social Compact Model* that can be used by Local Municipalities to develop Social Compacts for each informal settlement that has an approved and adopted Upgrading Plan so that it can be implemented in collaboration with the communities and key stakeholders.

## 2. BACKGROUND INFORMATION

The Upgrading of Informal Settlements Programme is outlined in part 3 of the National Housing Code 2009, as an incremental process culminating in the full upgrading of informal settlements over time.

The policy objectives of the UISP are tenure security, health and safety, and empowerment. Community participation & Empowerment are the key TENET of upgrading of informal settlements and referenced throughout the UISP policy.

<b>a) Tenure Security</b>	<b>Outputs:</b> <ul style="list-style-type: none"><li>• Household Enumeration &amp; Surveys.</li><li>• Communal land register.</li><li>• Interim occupation certificates.</li><li>• Land-use map with economic &amp; public zones.</li><li>• Established township with permanent engineering services.</li><li>• Serviced sites (IRDP).</li></ul>
<b>b) Health and Safety</b>	<b>Outputs:</b> <ul style="list-style-type: none"><li>• Public open spaces.</li><li>• Community safety plan.</li><li>• Settlement layout plan informed by specialist studies.</li><li>• Interim services.</li><li>• Permanent services.</li><li>• Social amenities: clinics, schools, community hall, library, public transport stops.</li></ul>

<b>c) Empowerment</b>	<b>Outputs:</b> <ul style="list-style-type: none"><li>• Social compact agreements.</li><li>• Community skills register.</li><li>• Community empowerment in the implementation process (Phase 1.2 &amp; 3).</li><li>• Sustainable livelihoods plan.</li><li>• Housing Support Centres.</li><li>• Capacity building engagements.</li></ul>
-----------------------	--

The ISUPG (Informal Settlements Upgrading Partnership Grant) purpose is to provide funding to facilitate a programmatic and inclusive approach to upgrading informal settlements. The inclusive approach is derived from the concept of empowerment as the residents in informal settlements need to take control of housing development directly applicable to them. Therefore, public participation becomes vitally important in the upgrading of informal settlements.

As per the Republic of South Africa (RSA) Constitution public participation is the involvement of communities and community organisations in the matters of local government. Therefore, communities need to be involved in all phases of upgrading processes.

Social Compacts allow for informal settlement communities to find ways to select, prioritise and implement upgrading actions as well as organising and acting in ways that ensure that the improvements are protected, maintained, operated and sustained.

### 3. APPROACH AND METHODOLOGY

The appointed Service Provider shall sample three (3) Informal Settlements in the Province, particularly one (1) informal settlement per District i.e. Ehlanzeni District, Gert Sibande District and Nkangala District in developing the Provincial Social Compact Model. This is to ensure that a workable and reliable document is produced and shall be used by the Municipalities going forward in the implementation of the informal settlements located within their areas of jurisdictions.

Facilitation is key between the municipality and the community to ensure the developed social compacts are drafted and signed. The process of preparation of the social compacts is detailed as per the methodology outlined below: -
