

LP00206KS CLARIFICATIONS:

The provision of Pest Control Services within Limlanga Cluster – Limpopo and Mpumalanga Operating Unit for a period of Five (5) years.

1.	Q: Closing date extension A: The tender has been extended to 10 June 2025 at 10h00am.
2.	Q: Registration Certificate with the Pest Control Services Industry Board. This item is incorrect as there is no such registration certificate and PCSIB does not exist, and it was a training institution, not a registration body. PCSIB is called PCITA today, still as a training institution but a registration body. Registration is with DALRRD. A: The mandatory technical requirements have been amended. Kindly refer to Addendum 1.0 Clarifications, attached separately.
3.	Q: Can you please assist us with the date for briefing the below-mentioned tender. A: The clarification session was held on 08 April 2025 at 10:30am
4.	Kindly note that the Enquiry was issued on 04 April 2025 and not 01 April 2025 as stated on the Invitation to Tender.
5.	Q: Kindly provide guidance regarding Tender No. LP00206KS, specifically in relation to the pricing structure. Are we expected to accept the pricing as provided, or are we permitted to make adjustments or propose changes? A: As per the Invitation to Tender, Tenderers are required to accept rates provided by Eskom. See page 21 under tender returnables (NEC Term Service Contract (TSC) of the invitation to tender document.
6.	Q: Could you please confirm whether the attached NEC3 document for the referenced tender is correct? The C2.2 price list has been completed. Kindly send us the updated document without any figures or upload it to the Eskom Tender Bulletin. A: The Pricelist indicated on the documents is for tenderers to accept. See page 21 under tender returnables (NEC Term Service Contract (TSC) of the invitation to tender document and bottom of page 22 of the NEC Term Service Contract (TSC) document.

7.	<p>Q: Please note the request to understand about the development of Pest Control tender number written above.</p> <p>We submitted the tender documents in Polokwane and only to find out that was canceled to a new date which was May. It was written check on the addendum unfortunately we can't be able to see the changes.</p> <p>A: Kindly note the tender was never cancelled but the closing date has been extended to 10 June 2025 at 10:00am</p>
8.	<p>Q:</p> <p>I am writing to enquire about the status of the above-mentioned tender. We noted that an extension of the closing date had previously been issued. However, we can no longer find the tender listed on the Eskom Tender website. Kindly confirm whether the tender has been withdrawn entirely or if it is still active.</p> <p>A: The tender is active and it has been extended, the closing date is 10 June 2025 at 10:00am</p>
9.	<p>Note: The tender has been reissued as a new tender under the number LP-00206KS due to an issue we had on the National Treasury tender portal. It remains the same as LP00206KS. Please refer to the issued addendums for details on amendments made to the tender.</p>
