

Evaluation Criteria

Mandatory requirements

At this phase service providers must submit the required supporting documents to substantiate compliance to the requirements below. It must be noted that if the service provider does not meet any of the requirements, the service provider will be disqualified and not be evaluated further.

Description	Comply	Not comply
Bidder must submit valid registered electrician who can issue Certificate of Compliance (CoC) for a three-phase installation as verified by the Department of Employment and Labour in compliance to Occupational Health and Safety Act 85 of 1993 as proof of compliance and submit methodology that indicates issuing of Certificate of Compliance for all electrical works.		
Bidder to provide validation credential for confirmation with South African Qualification and Certification Committee for Gas (SAQCC Gas) that they are certificated as mandated by the Department of Labour to ensure all gas practitioners are trained, certified, and registered under the Pressure Equipment Regulations (PER).		
Bidder must submit a valid COIDA certificate from the Department of Labour or equivalent.
