

ADDENDUM: Incorrect Allocation of Preference Point on the Tender Advert

❖ **TENDER NUMBER NKO: 36/2025**

❖ **TENDER DISCRIPTION:** SUPPLY AND DELIVERY OF ELECTRIAL MATERIAL AND EQUIPMENT/S FOR NKOMAZI LOCAL MUNICIPALITY FOR A PERIOD OF THIRTY-SIX (36) MONTHS

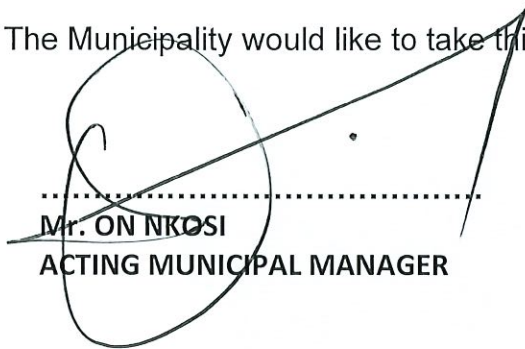

- Bidders are advised to take note of the incorrect written preference point on paragraph three (3) of the tender advert dated 12/09/2025 which is displayed as a tender advert on Nkomazi Local Municipality's Website. This tender advert is also contained on the second page of the tender document which is attached on the very Nkomazi Local Municipality website. The incorrect preference points are 90 and 10. The last sentence of paragraph three (3) of the advert incorrectly reads "Preferential Procurement Regulation, 22 where 90 points will be allocated in respect of price and 10 points in respect of targeted goals.

Point of correction

- The correct preference point should be 80 and 20 where in **80 points** will be allocated in respect of price and **20 points** will be allotted in respect of targeted goals. The corrected paragraph three (3) of the advert will read as follows " A Preferential system shall apply where by the this contract will be allocated to a bidder in accordance with the Preferential Procurement Policy Framework Act, no 5 of 2000 and as defined in the bid document, read in conjunction with the Presential Procurement Regulation, 2022 where **80 points** will be allocated in respect of price and **20 points** in respect of targeted goals".

- The incorrect tender advert is now replaced by the correct tender advert on both the Municipality's website for tender advertisements and on the second page of tender document.
- **NOTE:** the above-mentioned tender was advertised on 12 September 2025 as open competitive tenders and its closing date is 30 October 2025. All enquiries can be directed Mr. MR Mabuza on 013 790 0386.

The Municipality would like to take this moment to apologize for the inconvenient caused.
