

CLARIFICATION QUERIES:

Question 1:

Good day Ms. Sekhuto,

I would like to get clarity on the evaluation criteria for the above tender.

Item no 3: Workshop/Facility requires SANS or ISO 9001&14001 accreditation at 10 points.
Is this divided into 5 points for ISO 9001 and another 5 points for ISO 14001?

Response:

Dear Valued Supplier

It is both (ISO 9001 & 14001) or SANS equivalent, with 10 points not half points.

Question 2:

Good day Constance

Is the volumes of the estimated kg per line correct on page 18 & page 19?

Response:

Dear Valued Supplier

Please take note that all chemical quantified in kilograms, when in liquid form density is used for conversion.
