

## **1.TENDER EVALUATION CRITERIA**

Category	Criteria	Weighting	Scoring Methodology (Based on Weight)	Evidence
1.	<b>COMPANY PREVIOUS EXPERIENCE:</b>	<b>35 Points</b>	None-submission of the following <ul style="list-style-type: none"> <li>• Zero (0) or none-submission of reference letters.</li> <li>• Zero (0) or none-submission of Completion certificates.</li> </ul> <b>= 0 Points.</b>	Track record in provision of pest control services. The following references will be accepted.
			Submission of either of the following will score 10 points <ul style="list-style-type: none"> <li>• One (1) reference letter</li> <li>• One (1) Completion certificates</li> </ul> <b>=10 Points.</b>	1. Non-submission of either of the following will be awarded zero points a. Zero or non-submission of reference letters or completion certificate.
			Submission of either of the following will score 25 points <ul style="list-style-type: none"> <li>• Two (2) reference letters or</li> <li>• Two (2) Completion certificates</li> </ul> <b>= 25 Points.</b>	2. Submission of either of the following will score 10 points  • One reference letter with date of completion, and only reference letter for provision of pest control services., will be accepted.  • One completion certificate, only completion certificate for provision of pest control services, will be accepted.
			Submission of either of the following will score 35 points <ul style="list-style-type: none"> <li>•Three (3) reference letters or</li> <li>•Three (3) Completion certificates</li> </ul> <b>= 35 Points.</b>	3. Submission of either of the following will score 30 points  • Two reference letters with date of completion, and only reference letters for projects completed for the provision of pest control services., will be accepted.  • Two completion certificates, only completion certificates for projects completed for provision of pest control services, will be accepted.  4. Submission of either of the following will score 50 points  • Three reference letters with date of completion, provision of pest control services, will be accepted.  • Three completion certificates, only completion certificates for projects completed for the provision of pest control services, will be accepted.

Category	Criteria	Weighting	Scoring Methodology (Based on Weight)	Evidence
				Only records for completed projects will be accepted, the projects shall have been done within the last 10 years. Reference letters/Completion certificates. Reference letters and completion certificates shall be verifiable, have contact persons, working contact numbers, and be in the letterheads for previous clients, otherwise they will be rejected.
2.	<b>QUALIFICATIONS</b>  Pest control Operator (registration letter or registration certificate)	35 points	<b>Qualifications</b> Submission of Pest Control Operator registration letter or registration certificate = <b>35 points</b>	Professional registration Submission of certified copy of registration letter or certificate as the pest control operator in terms of Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act No. 36 of 1947) as amended and the regulations relating thereto as published in Government Notice No. R1449 of 1 July 1983. NB: if the above documentation is not submitted, the assessment result will be a zero score.
3.	<b>APPROACH AND METHODOLOGY</b>	30 Points	No information provided, or submission of no substance/ irrelevant information provided. = <b>0 Points</b>	<ul style="list-style-type: none"> <li>Methodology responds to the scope of work</li> </ul> <p>Methodology is a set of principles and practices that will guide in organizing this project to achieve acceptable and top performance.</p> <p><b>Methodology Topics :</b></p> <ol style="list-style-type: none"> <li>1. Conducting initial inspections and treatments to manage any existing infestation of rodents, mongoose, stray cats, ants, beetles, bed bugs, silverfish, earwigs, spiders, springtails, powder post beetles, ants, termites, flies, mosquitoes, cockroaches, flies, fruit flies, fleas, bees, wasps, birds and bird lice.</li> <li>2. Supply, delivery, installation of bait stations for trapping rodents.</li> <li>3. Regular inspection of high-risk areas.</li> <li>4. Implementation of preventative measures.</li> </ol>
			The technical approach is tailored to address the specific project objectives and methodology. The approach does adequately deal with the critical characteristics of the project. The project plan and risk is to be managed etc. is tailored to the key aspects of the programme. 1 to 6 Methodology Topics covered = <b>5 Points</b>	
			The approach is tailored to address the specific project objectives and methodology and is sufficiently flexible to accommodate changes that may occur during execution. The project plan and approach to managing risk etc is tailored to the critical characteristics of the project. The programme is good and has allowed for all critical aspects.	

			<p>7 Methodology topics covered = <b>25 Points</b></p> <p>Over above meeting the good rating, the important issues are approached in an innovative and efficient way, indicating that the tenderer has excellent knowledge of working state of the art approaches. The programme is well throughout and makes allowance for all key issues. 8 or more than 8 Methodology Topics covered = <b>30 Points</b></p>	<p>5. Usage of the comprehensive control measures.</p> <p>6. Submission of reports.</p> <p>7. Properly handling cats and handing them over to registered animal welfare organisations.</p> <p>8. Trapping, properly handling mongoose and release them at suitable locations.</p>
<b>Total Weighting</b>		<b>100 points</b>		
<b>Threshold</b>		<b>70 points</b>
