## 2.8 EVALUATION PROCESS & CLINICAL EVALUATION OF SAMPLES

The Department reserves the right to visit the premises of the Bidder and/or any subcontractor nominated by the Bidder to supply the goods in scope of this bid by prior arrangement with the Bidder.

Bidders **who are deemed to be compliant to mandatory requirements** as articulated in this bid document will be informed to submit their samples.

**Only the compliant bidders will be informed in writing with regards to the cut-off date and time for sample submission and will be afforded an opportunity to submit their samples within approximately 3-4 weeks to the Department. Failure to comply with this request will invalidate bidder(s) offer.**

**No late samples will be considered under any circumstances and offers corresponding with late samples will be disregarded summarily.**

**Delivery details of samples will be communicated to all compliant bidders.**

**Non-compliant bidders will be notified after the Bid process has been concluded.**

It is the responsibility of bidders to ensure that their products are available when Western Cape Government Health and Wellness request them. No late samples will be considered under any circumstances and offers corresponding to late samples will be summarily disregarded. It is recommended that bidders prepare and label samples in advance as failure to supply samples will invalidate a bidder's offer.

Each individual sample **must** be marked with the **bid number, company name and address, item number and product code**, in clear, legible print of a reasonable size and product code. An individual evaluation report form for each sample **must be attached to the sample and must not be supplied separately in a box or envelope or stapled to the sample.**

**Bidders must ensure that the Department of Health and Wellness: Head Office** are provided with sufficient samples **(a minimum of 3-5 samples per item)** offered. Bidders must further ensure that sufficient additional samples are available on request at short notice after the bid closing for testing purposes, if so, requested by the Department.

It is the bidder's responsibility to provide written proof that samples of each product were delivered to the Department of Health and Wellness: Head Office. This shall consist of a document with the name (Head Office), a list of item number(s) and description(s) of the sample(s) submitted along with the quantities provided for each, the signature of the representative who delivered the samples and the signature of the official receiving the samples.

**Samples will not be evaluated if:**

- \* the evaluation report/form **does not contain Sections A-C;**
- \* the evaluation report/form is **supplied without samples for clinical evaluation;**
- \* the **sample and evaluation form do not match;**
- \* **each item/sub-item is not accompanied by a separate evaluation form; and/or**
- \* **products are incorrectly labelled/not labelled and/or reflect incorrect supplier catalogue numbers.**

**No representative samples will be accepted for evaluation purposes.** Please provide a sample for each item/sub-item for which you have made an offer as proof of your ability to supply the specified goods and as evidence that the supplies perform as required under clinical conditions.

The offers of bidders who are unable to comply with this paragraph 2.11 regarding the supply of samples will be disregarded.

**Samples of successful bidders will be retained for the full contract period.**

**Unsuccessful bidders must collect their samples within two weeks of notification after the award.** Samples not collected within this period will be disposed of or destroyed.

**As all offers are considered *sub judice* until a contract is concluded, no information about clinical evaluations may be disclosed and no discussion about results will be undertaken by the Department before finalisation of the contract.**

2.2 In cases where prices are subject to the escalation formula, the following table must be completed.

In this category price escalations will only be considered in terms of the following:

$$Pa = (1 - V)Pt \left( D1 \frac{R1t}{R1o} + D2 \frac{R2t}{R2o} + D3 \frac{R3t}{R3o} + \dots Dn \frac{Rnt}{Rno} \right) + VPt$$

Where:

- Pa = The new escalated price to be calculated.
- (1-V) P = 85% of the original bid price. Note that Pt must always be the original bid price and not an escalated price.
- D1, D2 = Each factor of the bid price e.g. labour, transport, clothing, footwear, etc. The total of the various factors D1, D2 etc. must add up to 100%.
- R1t, R2t = Index figure obtained from new index (depends on the number of factors used).
- R1o, R2o = Index figure at time of bidding.
- VPt = 15% of the original bid price. This portion of the bid price remains firm i.e. it is not subject to any price escalations.

3. The following index/indices was/were used to calculate the bid price:

2. Any person (natural or juristic) may make an offer or offers in terms of this invitation to bid. 5. The status of suppliers listed on the National Treasury's Database of Restricted Suppliers will be housed on the ePS; however, it remains incumbent on institutions to check the National Treasury Database of Restricted Suppliers before the conclusion of any procurement process. For suppliers listed as restricted, institutions must apply due diligence and risk assessment before deciding to proceed with procurement from any such supplier.

SECTION B: DECLARATION OF THE BIDDER'S INTEREST

The supply chain management system of an institution must, irrespective of the procurement process followed, prohibit any award to an employee of the state, who either individually or as a director of a public or private company or a member of a close corporation, seek to conduct business with the WCG, unless such employee is in an official capacity a director of a company listed in Schedule 2 or 3 of the PFMA as prescribed by the Public Service Regulation 13 (c).

Furthermore, an employee employed by an organ of state conducting remunerative work outside the public enterprise should first obtain the necessary approval (RWOP), failure to submit proof of such authority, where applicable, may result in disciplinary action.

SECTION 7

WCBD 5

THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

THIS DOCUMENT MUST BE SIGNED AND SUBMITTED TOGETHER WITH YOU BID.

INTRODUCTION

The National Industrial Participation Programme (NIP), which is applicable to all government procurement contracts that have an imported content, became effective on 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases/lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

1. PILLARS OF THE PROGRAMME

- 1.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to, or exceeding, US\$ 10 million or other currency equivalent to US\$ 10 million, will have an NIP obligation. The threshold of US\$ 10 million can be reached as follows:
- (a) Any single contract with imported content exceeding US\$ 10 million.  
or
- (b) Multiple contracts for the same goods, works or services, each with imported content exceeding US\$ 3 million awarded to one seller over a 2 year period, which in total exceeds US\$ 10 million.  
or
- (c) A contract with a renewable option clause where, should the option be exercised, the total value of the imported content will exceed US\$ 10 million.  
or
- (d) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to, or exceeds, US\$ 3 million worth of goods, works or services to the same government institution, which in total, over a 2 year period, exceeds US\$ 10 million.
- 1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1(a) to 1.1(c) above will amount to 30% of the imported content, whilst suppliers in respect of paragraph 1.1(d) shall incur 30% of the total NIP obligation on a *pro rata* basis.
- 1.3 To satisfy the NIP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R & D) with partners or suppliers.
- 1.4 A period of 7 years has been identified as the timeframe within which to discharge the obligation.

2. REQUIREMENTS OF THE DEPARTMENT OF TRADE AND INDUSTRY

- 2.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required, immediately after the award of a contract that is in excess of R10 million (ten million Rands), to submit details of such a contract to the DTI for reporting purposes.
- 2.2 The purpose of reporting details of contracts in excess of the amount of R10 million is to cater for multiple contracts for the same goods, works or services, renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in the aforementioned sub-paragraphs 1.1(b) to 1.1(d).
