A bidder must meet a minimum threshold of **70%** from desktop technical functional evaluation to be considered for the next phase of evaluation, Phase 3, which is an evaluation on price and specific goals. Failure to meet the minimum points of **70%** threshold will result in disqualification in this phase.

- Bids proposals will be evaluated strictly according to the bid evaluation criteria stipulated in this section.
- As part of their bid documents, bidders must submit supporting documentation for all functional requirements as indicated in the Terms of Reference. The panel responsible for scoring the respective bids will evaluate and score all bids based on information presented in the bid proposals in line with the RFP.
- The score for functionality will be calculated in terms of the table below, where each Bid Evaluation Committee (BEC) member will rate each criterion on the bid evaluation score sheet using the following value scale/matrix:

Table 4: Technical Functional Evaluation Matrix

Rating	Definition	Score
Excellent	Exceeds the requirement. Exceptional demonstration by the supplier of the relevant ability, understanding, experience, skills, resources, and quality measures required to provide the goods/services. Response identifies factors that will offer potential value, with supporting evidence.	3
Acceptable	Satisfies the requirement with minor additional benefits , above average demonstration by the supplier of the relevant ability, understanding, experience, skills, resources, and quality measures required to provide the goods/services. Response identifies factors that will offer potential required services, with supporting evidence.	2
Average	Submission meets the minimum requirement with major reservations . Considerable reservations of the supplier's relevant ability, understanding, experience, skills, resource, and quality measures required to provide the goods/services, with little or no supporting evidence.	1
Unacceptable	Does not meet the requirement . Does not comply and/or insufficient information provided to demonstrate that the supplier has the ability, understanding, experience, skills, resources & quality measures required to provide the goods/services, with little or no supporting evidence.	0

Phase 3: Price and Preference (specific goals) Evaluation (80/90+20/10) = 100 points

Phase 3: Price and Preference (specific goals) Evaluation (80/90+20/10) = 100 points

Only Bidders who meet the minimum of 70% threshold of functionality in Phase 2 will be evaluated in Phase 3 for price and preference (Specific goals).

The total points for price evaluation (out of 80/90) and the total points for specific goals evaluation (out of 20/10) will be consolidated. The bidder who scores the highest points for comparative pricing and specific goals after the consolidation of points will normally be considered as the preferred bidder with whom South African Tourism will enter into further negotiations for the respective marketing discipline that was tendered.
