Incentives will inspire team - Sascoc

Gold medallists to be rewarded with R400,000

By **Neville Khoza**

After announcing incentives for athletes ahead of the Paris Olympics Games in August, SA Sports Confederation and Olympic Committee (Sascoc) president Barry Hendricks is optimistic about the medal chances as he feels incentives will inspire them to do more.

Hendricks yesterday announced the first group of athletes in the SA team for the Olympics and also revealed how much they will get for each medal category.

In the first team, 39 athletes were announced, while the second batch will be revealed next month after they get their qualifications in different sporting codes. "Incentives have become part and parcel of Team SA now. For gold, it will be R400,000 to the athlete and R100,000 to the coach," Hendricks told the media after the team announcement in Johannesburg yesterday.

"For silver, [it's] R200,000 [for athlete] and R75,000 for the coach; and bronze is R75,000 for the athlete and R25,000 for the coach."

Hendricks also said the reason they decided to make the announcement now is that they learned from their previous mistakes where they had to wait until the last minute.

"You learn your lessons as you become more experienced and you create more stability by announcing [incentives] at the beginning as well," he said.

"All that we want to do is to continue practicing in the build-ups for Paris. It is just a matter of doing what they have been doing and we will provide the support.

"We are not going to say this is what we want or so, but as you can see with the performances at the relay and swimming recently, there is some good potential...

For example, we are still waiting for the rugby 7s to qualify and there is a medal potential there as well."

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
