ANNEXURE C

INTEGRITY DECLARATION FORM

(Form to be completed and signed by supplier/tenderer as Invitation to Tender/RFP returnable or as part of contract modification documentation)

1. DECLARATION OF INTEREST

I/We understand that any natural/legal person, including employees of the State and/or those related to an Eskom employee/director (as per the definition of “related” set out hereunder), may tender to Eskom. However, in view of possible allegations of favouritism (the practice of showing favour to, or giving preference to some person/group, to the detriment of, or at the expense of another that is entitled to equal treatment or an equal opportunity), should the resulting tender, or part thereof, be awarded to such natural/legal person, as described herein, it is required that the *tenderer/s* declare such interest/relationship where:-

- the *tenderer/s* employees/directors are also employees/contractors/consultants/ directors in the state or a state owned entity.
- the *tenderer/s* employees/directors are also employees/contractors/consultants/ directors of Eskom
- the *tenderer/s* employees/directors are also employees/contractors/consultants or directors in another entity together with Eskom employees/consultants/contractors/ directors
- the *legal person/s (including its employees/contractors/directors/members/ shareholders)* on whose behalf the tender documents are signed, is in some other way “related” to an Eskom employee/contractor/consultant/director involved in the tender evaluation/tender adjudication/tender negotiation. “Related” meaning that:-
 - an individual is related to another individual if they are married, or live together in a relationship similar to marriage;
 - or are separated by no more than two degrees of natural or adopted consanguinity or affinity;
 - an individual is related to a juristic person if the individual directly or indirectly controls the juristic person, as determined in accordance with the definition of “control” (as per Companies Act section 2(1)); and
- a juristic person is “related” to another juristic person if :-
 - (1) either of them directly/indirectly controls the other, or the business of the other, as determined in accordance with the definition of “control”(as per Companies Act section 2(1));
 - (2) either is a subsidiary of the other; or
 - (3) a person directly/indirectly controls each of them, or the business of each of them, as determined in accordance with the definition of “control”
- the *tenderer/s* and one or more of the *tenderers* in this tendering/RFP process have a controlling partner in common, or a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the tender/proposal of

SCOPE OF WORK

To conduct the benchmarking study as set out below:

- a. Data collection and analysis, comparing the cost of transmission power lines per kilometre (400kV and above) for Eskom and its peers in African countries.
 - b. The study should provide a comparison of the following:
 - All the cost components contributing to the total line cost per kilometre
 - Provide and understanding for the reasons of the variances in the different contributing elements
 - c. The analysis to include but not limited to:
 - steel price benchmarks (include factors that impact steel price hikes, taxation, restrictions, etc)
 - international steel price sensitivity
 - regulatory requirements
 - line construction equipment
 - line construction labour
 - number of players in the market
 - impact of the number of steel suppliers/manufactures to the industry
 - d. As steel is a major contributor to line construction costs, it is strongly recommended that the study should reflect the input of a steel commodity analyst.
- **Deliverables**

The following are key deliverables:

- a. **Scoping report**- to ensure alignment of requirement and methodology
- b. **Draft report** – allowing an opportunity to comment before finalising
- c. **Final report** - Provide a report on the outcomes of the study with conclusions and recommendations. The report will include an executive summary. It will also have a condensed Power Point presentation highlighting the key points of the study.

The final report must be provided as soon as possible and within two **(2) month period** from contract/order placement.

Key results, charts and tables to be provided in Excel format for use in future presentations

Meetings with the Eskom team to provide feedback and to ensure the scope of work is in accordance with end user requirements.
